SESSIONAL PAPER No. 1

Pay from two sources — Payé de deux services.

AUDIT OFFICE, April 30, 1917.

SIR, In the account paid by the Senate, I find that Mr. J. A. Fortier has been paid for preparing synoptic report at the rate of \$15 a week up to the 30th of June, 1916, a total of \$796.45. During all this time, I find that he was employed as a printer at \$8 a week.

You will kindly leave Mr. Fortier refund the amount paid to him by your office, as he cannot be permitted to draw pay from two sources.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

THE SENATE, OTTAWA, May 2, 1917.

SIR,—I am in receipt of your letter of the 30th ult., in reference to certain payments to M. Fortier for preparing synoptic reports of the proceedings of the Senate, and in reply would say that those payments were made on the authority of an order of the Senate (*vide* Senate Journals, 1916, pp. 54 and 68).

I am desirous of obtaining information respecting various matters that may come before me for consideration, and therefore I would be greatly obliged if you would let me have reference to your authority for the statement that Mr. Fortier cannot be permitted to draw pay from two sources.

I have the honour to be, sir, your obedient servant,

A. E. BLOUNT, Clerk.

The Auditor General.

BUREAU DU COMPTABLE, 28 JUILLET 1917.

MONSIEUR, Dans les comptes de la préparation des travaux que M. J. A. Fortier a préparés pour le rapport synoptique de la séance du 30 juin 1916, on trouve un total de \$796.45. Durant tout ce temps, on a payé ce dit employé à raison de \$8 par semaine.

Veuillez faire rembourser à M. Fortier l'argent que votre bureau lui a payé, car il ne peut pas être traité de deux sources de deux services.

Je demeure, monsieur, votre obéissant serviteur.

J. FRASER, A.G.

Le greffier du Sénat.

SENAT, OTTAWA, 2 mai 1917.

MONSIEUR,—J'ai reçu votre lettre du 30 ultimo au sujet de certains paiements faits à M. Fortier pour la préparation des rapports synoptiques des délibérations du Sénat, et en réponse je dois dire que ces paiements ont été faits en vertu d'un ordre du Sénat (*voir* les journaux du Sénat, 1916, pages 54 et 68).

Je suis désireux d'obtenir des informations concernant divers sujets qui peuvent venir devant moi pour considération, c'est pourquoi je vous serais très obligé, vous voudriez me faire connaître sur quelle autorité repose votre assertion que M. Fortier ne peut retirer de solde de deux services.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

A. E. BLOUNT, Clerk.

L'Auditeur général.

J. FRASER, A.G.

Le greffier du Sénat.

8 GEORGE V, A. 1918

SENATE, OTTAWA, March 1, 1917.

SIR,—I am in receipt of your letter of the 28th inst., relative to certain articles procured by the Senate through the Stationery Office. In reply I have to say that the articles referred to were purchased and distributed on the authority of an order of the Senate, *vide* Minutes of May 10, 1916, page 527, a copy of which is enclosed herewith.

I have the honour to be, sir, your obedient servant,

J. C. YOUNG, *deputy Clerk.*

The Auditor General.

AUDIT OFFICE, March 5, 1917.

SIR,—I am in receipt of your letter of the 1st instant, with reference to the supply of stationery for the use of the Senate.

Your explanation that these articles were purchased and distributed under the authority of an order of the Senate, as contained in a resolution dated the 10th of May, 1916, is not very satisfactory, and does not answer my letter. This resolution simply states that stationery be ordered as selected from the samples submitted by the different makers, according to the lists approved by your committee, but does not state that these ladies' purses, bags, and document cases are included in the list.

I would be pleased to have a copy of this list of stationery, and a reply to my question in which I asked to whom these articles were distributed.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

NOTE.—The following printed lists were received in this office on March 10, 1917, without any accompanying letter:—

OTTAWA, 1 mars 1917.

MONSIEUR,—J'ai reçu votre lettre du 28 courant au sujet de certains articles obtenus pour le Sénat du bureau de la Papeterie. En réponse je dois dire que les articles mentionnés ont été achetés et distribués par ordre du Sénat; voir les minutes du 10 mai 1916, page 527,—une copie vous est incluse dans la présente.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

J. C. YOUNG, *sous-greffier.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 5 mars 1917.

MONSIEUR,—Je suis en possession de votre lettre du premier courant, au sujet des fournitures de la papeterie à l'usage du Sénat.

Votre explication, que ces articles ont été achetés et distribués sous l'autorité d'un ordre du Sénat, tel que mentionné dans une résolution en date du 10 mai 1916, n'est pas très satisfaisante et ne répond pas à ma lettre. Cette résolution détermine simplement que la papeterie soit commandée telle que choisie sur échantillons soumis par les différents fabricants, d'après les listes approuvées par votre comité; mais ne dit pas que ces aumônières, sacs et serviettes soient compris dans la liste.

Il me ferait plaisir d'avoir une copie de cette liste de papeterie et une réponse à ma question demandant à qui ces articles ont été donnés.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, A.G.

Le greffier du Sénat.

REMARQUE.—Les listes suivantes ont été reçues à ce bureau le 10 mars 1917 sans être accompagnées d'aucune lettre:—

THE SENATE, OTTAWA, April 13, 1917.

LE SÉNAT, 13 avril 1917.

SIR,—Let me acknowledge the receipt of your letter of the 7th inst., in further reference to the subject matter of your letters of February 28 and March 5. In reply I have only to repeat what was stated in my letter of March 1—That the articles referred to were purchased and distributed on the authority of an order of the Senate.

I am also of the opinion that the detailed statement asked for is not necessary, as the matter of the distribution of its supplies is purely within the economy of the Senate, and subject to its control only.

I may say, however, that the correspondence will be laid before the committee who supervises matters of this kind, for such action as they may deem necessary in the premises.

I am, sir, Your obedient servant,

J. C. YOUNG,

The Auditor General. *Deputy Clerk of the Senate.*

MONSIEUR,—Permettez-moi d'accuser réception de votre lettre du 7 courant concernant les questions mentionnées dans vos lettres du 28 février et du 5 mars. En réponse, je ne puis que répéter ce que j'ai déjà dit dans ma lettre du 1er mars—que les objets mentionnés ont été achetés et distribués sous l'autorité d'un décret du Sénat.

Je suis aussi d'opinion que l'état détaillé demandé n'est pas nécessaire, car la question de la distribution des fournitures est purement du ressort du Sénat et soumise au contrôle du Sénat seul.

Cependant, je puis dire que la correspondance sera soumise au comité chargé de voir aux questions de ce genre qui décidera suivant qu'il le jugera à propos.

Je demeure, monsieur, Votre obéissant serviteur.

SIR,—I inclose herewith copy of a letter received from the Deputy Clerk of the Senate.

Before taking any further action I would be pleased if you would be kind enough to let me know if you approve of the second paragraph in the letter.

I am, sir, Your obedient servant,

The Clerk of the Senate J. FRASER, A.G.

MONSIEUR,—Je vous envoie ci-inclus copie d'une lettre reçue du sous-greffier du Sénat.

Avant de procéder plus loin, je voudrais savoir si vous approuvez le deuxième paragraphe de la lettre.

Removal of Government Property to Quebec, from Ottawa.

AUDITOR GENERAL'S OFFICE, April 16, 1917

BUREAU DE L'AUDITEUR GÉNÉRAL, 16 avril 1917.

SIR,—On 28th March, 1917, an account of James Wilson & Company, Ottawa, for \$779.48 for repairing, regilding framing, etc., of pictures for the House of Commons, was paid by the Accountant of the House of Commons.

In this account there appear two items on November 2, 1916, viz: cartage and packing pictures, \$2.50; express, \$1.25.

These items would suggest that some of the pictures has been shipped away from Ottawa.

As custodian of this government property, would you kindly let me know if such is the case, and also the destination of the shipments.

I understand that a large quantity of this class of property was removed from the buildings during the fire. I would like to know if it is all in your custody and possession at present.

I am, sir, Your obedient servant,

MONSIEUR,—Le 28 mars 1917, une note de James Wilson & Co., Ottawa, au montant de \$779.48, pour réparer, redorer, encadrer, etc. tableaux pour la Chambre des Communes, a été payée par le comptable de la Chambre des Communes.

Dans cette note, il y a deux item portés à la date du 2 novembre 1916, savoir: emballage et factage de tableaux, \$2.50; frais de messagerie, \$1.25.

Ces item semblent indiquer que des tableaux ont été expédiés d'Ottawa.

Comme gardien de ces effets du gouvernement, veuillez avoir la bonté de me dire si cette supposition est vraie et aussi la destination des envois.

Je comprends qu'une grande quantité de ce genre d'effets a été enlevée des édifices pendant l'incendie. J'aimerais à savoir si vous avez le tout en votre garde et possession.

Appointment and rates of pay of extra reporters.

Nominations et échelle d'appointements de courrîéristes supplémentaires.

AUDITOR GENERAL'S OFFICE, September 18, 1917.

BUREAU DE L'AUDITEUR GÉNÉRAL, 18 SEP. 1917.

SIR,—In the accounts forwarded this office by the Accountant of the House of Commons, I find that the following extra reporters have been paid at the rates set opposite their names:

Monsieur.—Dans les comptes envoyés à ce bureau par le comptable de la Chambre des communes, je trouve que les courrîéristes suivants ont été payés suivant les tarifs opposés à leurs noms respectifs:

M. F. Johnston at \$75.00 per week.

J. H. Kenchan at \$85.00 per week.

Marcel Gabard at \$100.00 per week.

M. F. Johnston à \$75.00 par semaine.

J. H. Kenchan à \$85.00 par semaine.

Marcel Gabard à \$100.00 par semaine.

As these are considerably in excess of the rate paid to the regular reporters, and as the vouchers do not show any evidence of approval by you, I would be pleased to know if the appointment and rates of pay for these gentlemen have been approved by you.

Vous voyez que ces tarifs sont beaucoup plus élevés que ceux qui sont payés aux courrîéristes ordinaires, et que les pièces justificatives ne portent pas de votre approbation, je serais très heureux de savoir si les nominations et les appointements de ces gentlemen ont reçu votre approbation.

Je demeure, monsieur, votre obéissant serviteur.

I AM, SIR, YOUR OBEISANT SERVANT.

J. H. FRASER

CLERK

The Speaker, House of Commons.

Auditeur Général, Ottawa.

HOUSE OF COMMONS, OTTAWA, Sept. 25, 1917.

CHAMBRE DES COMMUNES, OTTAWA,
25 septembre 1917.

SIR, His Honour the Speaker has referred to me your letter of the 18th inst., addressed to him, making inquiries as to the rates paid to temporary reporters on the Hansard staff. You observe that the vouchers do not show any evidence of approval by the Speaker, and for this reason His Honour's attention is called to the subject. I suppose you are aware that the accounts of the House of Commons, including the vouchers for the same, are not approved by the Speaker, with the exception of personal accounts relative to his own office, and they never have been. I suppose you will notice the accounts referred to have been duly approved by me as Clerk of the House, and this is sufficient authority that the same are regular, properly authorized, and correct.

His Honour desires me to say that all correspondence on matters of this nature should come to him through the Clerk of the House and not by addressing direct to him, as these details are peculiarly within the Clerk's authority and scope of duty. This is the first time I have known during my long term of office, that the Audit Office has communicated directly with the Speaker over the Clerk's head. His Honour very properly referred the same for me to deal with, and has requested me to reply to the inquiry.

With regard to the accounts mentioned, the contracts were all made after careful consideration by myself, the chief of the Debates staff, and His Honour the Speaker. The rates are the best that could be obtained, and are fair and reasonable, having regard to the circumstances of the case.

I am, sir your obedient servant,

THOS. B. FLINT, *Clerk.*

The Auditor General.

MONSIEUR, Son Honneur l'Orateur m'a remis votre lettre du 18 courant adressée à lui et demandant des renseignements sur les taux d'appointements de courtiers temporaires dans le personnel du Hansard. Vous faites la remarque que les pièces justificatives ne portent pas trace de l'approbation de l'Orateur, et pour cette raison vous attirez l'attention de l'Orateur sur cette question. Je suppose que vous n'ignorez pas que les comptes de la Chambre des communes, ainsi que les pièces justificatives concernant ces comptes, n'ont pas besoin d'être approuvés par l'Orateur, à l'exception des comptes personnels des dépenses de son propre bureau, et qu'il en a toujours été ainsi. Je suppose aussi que vous remarquerez que les comptes en question ont été dûment approuvés par moi comme greffier de la Chambre, que cette approbation est suffisante pour garantir que ces comptes sont réguliers, dûment approuvés et exacts.

C'est le désir de Son Honneur que je vous avertisse que toute correspondance sur des sujets de cette nature doit lui parvenir par l'entremise du greffier de la Chambre et ne doit pas être adressée directement à lui, vu que ces détails concernent spécialement le greffier et sont de sa compétence. C'est, à ma connaissance, la première fois dans ma longue carrière de greffier que le bureau de l'auditeur s'adresse directement à l'Orateur en passant par-dessus la tête du greffier. Son Honneur avec beaucoup d'à-propos m'a transmis cette question pour règlement et m'a demandé de répondre.

Au sujet des comptes mentionnés, les contrats ont tous été faits après étude attentive faite par moi, par le chef du personnel des Débats et par Son Honneur l'Orateur. Les taux d'appointements sont les plus bas que nous avons pu obtenir, sont justes et raisonnables, vu les circonstances.

Je demeure, monsieur, votre obéissant serviteur,

THOS. B. FLINT,
A l'auditeur général. *Le greffier de la Chambre.*

SIR,—I beg to inclose the *certificate* duly certified in the case of Dositto Haché, office of the Clerk of the Crown in Chancery.

We have never been in the habit of using all those formal words in the class of certificate you mention, but I may say that when an account is certified as correct by me, or any of the officials of the House, it signified that all the requisites of the regular certificates are included.

I am, sir, your obedient servant,

AUDITOR GENERAL'S OFFICE, January 15, 1917.

SIR,—I beg to acknowledge receipt of your letter of December 16 last, in which you state that your certificate of "certified correct" upon the accounts of the various clerks employed in the House of Commons was intended to signify that they had been in attendance every day for which payment was asked, with the exception of Sundays and statutory holidays.

In reply, I beg to point out that, under these conditions, you have certified to the services of Mr. H. R. Hamilton for the period from July 1 to November 30 last, inclusive, and from the records of the Department of Militia and Defence, I find that he was employed by them from July 19 to September 30, at Kingston, Ont., and from October 1 to November 30, inclusive, as paymaster of the Signal Training Depot. As Mr. Hamilton is not a Civil Servant, but is only paid for the actual services rendered, he has, therefore, been illegally paid by you \$675, being for the period from July 19 to November 30, and you will kindly obtain a refund from him for this amount.

I would also ask that you give an explanation as to why you certified that he was in attendance at your office during this period, when you must have been aware that up to September 30 he was not even in the city of Ottawa, and during October and November he was performing military duties which would prevent him from attending to any clerical work in your office.

MONSIEUR,—J'ai l'honneur de vous envoyer ci-joint le certificat régulier dans le cas de Dositto Haché, bureau du greffier de la couronne en chancellerie.

THOS. B. FLINT,

Le greffier de la Chambre.

A l'auditeur général, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, 15 janv. 1917.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 16 dernier dans laquelle vous déclarez que les termes de votre certitude "certifié exact" sur les comptes des divers commis employés à la Chambre des communes doivent signifier que les personnes y désignées ont été en devoir pour chacun des jours pour lequel leur salaire est demandé, à l'exception des dimanches et des jours fériés.

En réponse, j'ai l'honneur de vous affirmer que, dans ce cas, vous avez certifié comme réels les services de M. H. R. Hamilton pendant la période écoulée entre le 1er juillet et le 30 novembre inclusivement de l'année dernière; et d'après les comptes du ministère de la Milice et de la Défense, je trouve qu'il a été employé par ce ministère du 19 juillet au 30 novembre à Kingston, Ont., et du 1er octobre au 30 novembre inclusivement, comme payeur au camp d'entraînement des Signaleurs. M. Hamilton n'étant pas un employé civil, il ne doit recevoir des honoraires que pour les services réels rendus, il a donc reçu illégalement de vous la somme de \$675 pour la période comprise entre le 19 juillet et le 30 novembre, et vous êtes prié de faire rembourser ce montant.

Je vous demanderais aussi de donner une explication concernant le certificat que vous donnez de sa présence au bureau pendant cette période, lorsque vous devez bien savoir que jusqu'au 30 septembre il n'était pas même dans la ville d'Ottawa, et que durant octobre et novembre il avait à accomplir des devoirs militaires qui ont dû l'empêcher de faire tout travail de commis dans votre bureau.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, A.G.

Au greffier de la Chambre, Ottawa.

BUREAU DE L'AUDITEUR, 7 février 1917.

MONSIEUR,—Le 15 du mois dernier, je vous ai écrit au sujet de certains employés de la Chambre des communes et particulièrement de M. H. R. Hamilton. Jusqu'à présent, je n'ai pas reçu de réponse à ma lettre, et je serais heureux si vous vouliez accorder votre attention à ce sujet et me donner les renseignements demandés.

Je demeure, monsieur, votre obéissant serviteur,

SESSIONAL PAPER No. 1

HOUSE OF COMMONS, FEBRUARY 9, 1917.

SIR, With reference to Mr. H. R. Hamilton's account for special work, I delayed replying to your letter of the 15th January, owing to the accumulation of correspondence in this office caused by the work of the session.

There appears to be a misapprehension on your part as to the nature of my certificate of "correct" on Mr. Hamilton's account. On the 12th December I wrote you that Mr. Hamilton was employed as secretary in my office, and from personal knowledge know his account to be correct. Mr. Hamilton's accounts for special work are to be distinguished from the ordinary accounts of temporary employees, and my certificate on his accounts do not imply, and were not intended to imply, that he was actually in daily attendance at my office during the period referred to, but it does imply that he was in attendance to my entire satisfaction and performed all the work required of him in that connection, punctually and properly.

You observe that I must have been aware that up to September 30, he was not even in the city of Ottawa. I am aware that he was in the city of Ottawa frequently between the 19th of July and the 30th of September as communications passed between us to and from Ottawa frequently during that period.

The fact of the case is these: Mr. Hamilton, some time early in July, proposed to enlist for Overseas Service, and I encouraged him to do so. He enlisted and informed me that it would be necessary for him to take some course of instruction at Kingston, but that he could do that the work of the office was in no way interrupted or neglected on that account. He informed me that he went to Kingston about the 19th of July and between that and the 30th of September attended to the work of the office, sometimes at Kingston and frequently at Ottawa, as he was in Ottawa several times during that period in attendance at my office and carefully kept up the work.

I may say that I also wrote to him to Kingston on more than one occasion, and received prompt replies on subjects connected with the business of the office. In fact, all the work required to be done in connection with the office was satisfactorily done by him during that period.

During October and November, Mr. Hamilton resided in Ottawa, and his military duties as paymaster of the Signal Training Depot did not prevent his daily attendance on his duties at this office and his keeping up with all the work required by the office during that period. He informs me that, as a matter of fact, he was in attendance at the office excepting for holidays during that period.

He returned to Ottawa on the 21st of November, and from that date until the end of November and even to the present moment, Mr. Hamilton has been in daily attendance at this office, diligently performing all the work required of him as my secretary. I so arranged his hours that all his military duties are performed without interference with his duties here. His military duties do not in any way interfere with his work here, nor does his work here interfere with his military duties.

On this subject, I spoke to the Parliamentary Secretary of the Department of Militia & Defence, and he expressed his satisfaction with the arrangement. In carrying out these duties, Mr. Hamilton has worked literally almost day and night, and I have found him a most faithful, industrious, and competent assistant in this office.

I would deeply regret that insistence on any

CHAMBRE DES COMMUNES 9 février 1917.

Monsieur, Au sujet du compte de M. H. R. Hamilton pour travail spécial, j'ai retardé de répondre à votre lettre du 15 janvier à cause de l'accumulation de la correspondance dans ce bureau par suite du travail de la session.

Il semble y avoir de votre part une fautive interprétation des termes de mon certificat "correct" sur le compte de M. Hamilton. Le 12 de décembre, je vous ai écrit que M. Hamilton était employé comme secrétaire dans mon bureau et qu'à ma connaissance personnelle son compte était exact. Les comptes de M. Hamilton pour travail spécial ne doivent pas être confondus avec les comptes ordinaires des employés temporaires, et mon certificat sur ces comptes implique pas et ne doit pas être interprété comme signifiant que M. Hamilton a été présent et personnel à mon bureau pendant la période mentionnée, mais dans le sens qu'il a rempli ses devoirs à mon entière satisfaction et qu'il a fait tout le travail qu'on lui a demandé de faire avec exactitude et ponctualité.

Vous notez la remarque que, à partir d'avril jusqu'au 30 septembre, il n'était pas même dans la ville d'Ottawa. Je sais qu'il a été fréquemment à Ottawa entre le 19 juillet et le 30 septembre comme j'ai expliqué dans mon certificat. Pendant cette période, il est venu à Ottawa plusieurs fois.

Voici les faits en détail: M. Hamilton, vers le commencement de juillet, proposa de s'enrôler pour le service overseas, et je l'encourageai à le faire. Il est enrôlé et m'a dit qu'il lui fallait aller à Kingston pour faire un cours d'instruction, mais qu'il pourrait continuer le travail de l'office pendant ce temps. Il m'a écrit qu'il était allé à Kingston vers le 19 juillet et entre le 19 juillet et le 30 septembre, il a travaillé à mon bureau, quelquefois à Kingston et quelquefois à Ottawa, car il est venu en cette dernière ville pendant plusieurs périodes pendant ce temps, et pendant le travail à jour.

Je puis dire que je lui ai aussi écrit à Kingston en plus d'une occasion et que j'ai reçu de lui de promptes réponses sur des sujets qui concernaient le bureau. En vérité, tout le travail qui était pour le bureau pendant ce temps l'a été d'une manière satisfaisante.

Pendant les mois d'octobre et de novembre, M. Hamilton a demeuré à Ottawa, et ses devoirs militaires comme payeur de camp d'entraînement des Signaleurs ne l'ont pas empêché d'être tous les jours au bureau, à part les jours fériés, pendant cette période.

Je suis revenu à Ottawa le 21 novembre, et depuis cette date jusqu'à la fin de novembre, et même jusqu'aujourd'hui, M. Hamilton a été présent tous les jours à ce bureau accomplissant avec diligence tous les devoirs qui lui incombent comme secrétaire. J'ai réglé ses heures de bureau de manière que ses devoirs comme militaire soient accomplis sans nuire à son travail ici. Ses devoirs militaires ne nuisent pas à son travail à ce bureau et son travail ici ne nuit en aucune manière à ses devoirs militaires.

Sur cette question, j'ai consulté le secrétaire parlementaire du ministère de la Milice et de la Défense, et il s'est montré satisfait de cet arrangement. En accomplissant ses devoirs multiples, M. Hamilton a littéralement travaillé jour et nuit, et j'ai trouvé qu'il est un homme des plus fidèles, industrieux et compétent pour ce bureau.

Je regretterais profondément de savoir que l'on insiste pour quelque raison strictement technique

AUDITOR GENERAL'S OFFICE, MARCH 21, 1917.

SIR, I enclose herewith a file of correspondence with the Clerk of the House of Commons in reference to illegal payments made to Mr. H. R. Hamilton, a sessional clerk. Mr. Hamilton enlisted for overseas service on 19th July, 1916, and has been drawing military pay since that date at the rate of \$4.05 per day. The clerk of the House of Commons has also been paying him at the rate of \$5 per day. I have pointed out to him that this is contrary to the regulations laid down by the Governor in Council, and asked him to obtain a refund of the amount illegally paid. He has not complied with my request, and I see by the vouchers for February that he still continues to pay Mr. Hamilton for clerical services, notwithstanding the fact that he is in the military service. Under these circumstances, I have to request that you will instruct the Clerk that he must recover from Mr. Hamilton the amount illegally paid and refrain from making any further payment to him, or I shall be obliged to decline to issue any further certificate for Letters of Credit.

Please return file.

I am, your obedient servant,

J. FRASER,
Auditor General.

The Secretary of the Treasury Board.

FINANCE DEPARTMENT, March 23, 1917.

SIR,—By direction of the Treasury Board, I have the honour to forward you herewith a letter of the 21st instant, addressed to the Board, by the Auditor General, on the subject of alleged illegal payments made to Mr. H. R. Hamilton, a sessional clerk.

Attached to the Auditor General's letter is a file of correspondence relative to the same matter.

In submitting these papers for your consideration and action, I am at the same time desired to express the opinion of the Board that the payments referred to by the Auditor General should be stopped, and steps should be taken to have the amount of overpayments refunded, as indicated in his letter.

I am, sir, your obedient servant,

HOUSE OF COMMONS, April 10, 1917.

DEAR MR. SPEAKER,—I have perused the correspondence between the Auditor General, and myself handed to me by you having reference to Mr. H. R. BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA,
21 mars 1917.

MONSIEUR,—Je vous envoie ci-inclus une liasse de correspondance avec le greffier de la Chambre des communes concernant des paiements illégaux faits à M. H. Hamilton, commis sessionnel. M. Hamilton s'est enrôlé pour le service d'outre-mer le 19 juillet 1916, et il a retiré sa solde depuis cette date au taux de \$4.05 par jour. Le greffier de la Chambre des communes lui paie aussi des appointements se montant à \$5 par jour.

Je lui ai dit que cela était contraire aux règlements faits par le Gouverneur en conseil, et lui ai demandé de faire rembourser le montant payé illégalement. Il ne s'est pas conformé à ma demande, et je vois par les reçus de février qu'il continue encore à payer M. Hamilton pour travail de commis, malgré le fait qu'il est dans le service militaire. Vu ces circonstances, je vous demande de donner instruction au greffier de recouvrer de M. Hamilton le montant payé illégalement et de cesser de faire d'autres paiements semblables, car sans cela je serai obligé de refuser d'émettre d'autre certificat pour lettres de crédit.

Veuillez retourner le dossier.

MINISTÈRE DES FINANCES, OTTAWA, 23 mars 1917.

MONSIEUR,—Par ordre du Conseil du Trésor, j'ai l'honneur de vous envoyer ci-inclus une lettre du 21 courant, adressée au Conseil par l'auditeur général au sujet de paiements illégaux faits à M. H. R. Hamilton, commis sessionnel.

Attachée à la lettre de l'auditeur général est une liasse de correspondance concernant le même sujet.

En soumettant ces documents à votre considération et en vous demandant d'agir, je désire en même temps exprimer l'opinion du Conseil que les paiements mentionnés par l'auditeur général doivent cesser et qu'il faut faire des démarches pour faire rembourser les paiements supplémentaires qui ont été faits, comme il est dit dans la lettre.

MONSIEUR L'ORATEUR,—J'ai étudié la correspondance entre l'auditeur général et moi-même que vous m'avez remise au sujet de M. Hamilton qui a été pendant longtemps secrétaire suppléant dans mon bureau. SESSIONAL PAPER No. 1

General state that Mr. Hamilton had been drawing military pay since the latter of July, 1916. Mr. Hamilton had not drawn any military pay since November, 1916, but he had not received it.

During my absence from Ottawa, Mr. Hamilton very competently and thoroughly performed all the duties required of him in connection with my office, as pointed out in my letter to the Auditor General of February 1, 1917, from Ottawa. In the latter part of November from my vacation, and early in December, Mr. Hamilton informed me that he had been receiving military pay up to November 1916. He then explained that he had been drawing military pay, but that it had been withheld by me, and that there was a question as to whether he was performing the duties of Auditor General, which I drew to his attention. I explained my work, and that all his military duties were performed without interference with his duties here. I asked him to be Parliamentary Secretary of the Department of Militia and Defence, and he expressed his intention to do so.

Mr. Hamilton explained to me the duties of the Auditor General for refund of his compensation as clerk in law, that he was performing those duties thoroughly and to my entire satisfaction, and even at some expense and outlay, that it would not be just or fair for me to refuse to refund any moneys.

The Auditor demands, in addition to the refunds referred to the consideration Mr. Hamilton pays as clerk in this office. Mr. Hamilton informs me that he has no objection to so doing, and he will continue to do so until some arrangement is made until the matter is decided. This will be very valuable, as he is thoroughly familiar with the routine and duties of the office.

The Treasury Board seem to be under the impression that Mr. Hamilton has been receiving double salary up to the present date, but this, as I have pointed out, is an error. This impression is, of course, based upon the statement of the Auditor General to the effect that Mr. Hamilton has been drawing military pay since November, 1916. I enclose a communication from Mr. Hamilton covering the situation from this standpoint.

I am, sir, your obedient servant,

THOS. B. FLINT, Clerk.

The Speaker, House of Commons.

HOUSE OF COMMONS, April 10, 1917.

SIR, In compliance with your request for a statement from me, from my own standpoint, of the situation created by the demands of the Auditor General as set forth in the correspondence between you and him, in reference to a refund of certain payments received by me, I would respectfully submit the following.

Having served for some years as clerk in your office, I continued the work at your request during the last parliamentary recess, and received pay for the same as usual.

In July, I obtained your consent to go to Kingston as a probationary paymaster, and later was transferred to Ottawa as acting paymaster of the Signal Training Depot. From July 19 to November 30, I drew the pay of both positions of paymaster and clerk in your office. I was enabled to perform the duties required of me in both positions without any detriment to the one or the other. Besides, I do not see that the Order in Council referred to is intended to apply save to Civil Servants whose military duties take them from their civil services.

During the time Mr. Hamilton was acting as paymaster, he was also acting as clerk in your office, and he was performing the duties of both positions.

During my absence from Ottawa, Mr. Hamilton very competently and thoroughly performed all the duties required of him in connection with my office, as pointed out in my letter to the Auditor General of February 1, 1917, from Ottawa. In the latter part of November from my vacation, and early in December, Mr. Hamilton informed me that he had been receiving military pay up to November 1916. He then explained that he had been drawing military pay, but that it had been withheld by me, and that there was a question as to whether he was performing the duties of Auditor General, which I drew to his attention. I explained my work, and that all his military duties were performed without interference with his duties here. I asked him to be Parliamentary Secretary of the Department of Militia and Defence, and he expressed his intention to do so.

Mr. Hamilton explained to me the duties of the Auditor General for refund of his compensation as clerk in law, that he was performing those duties thoroughly and to my entire satisfaction, and even at some expense and outlay, that it would not be just or fair for me to refuse to refund any moneys.

The Auditor demands, in addition to the refunds referred to the consideration Mr. Hamilton pays as clerk in this office. Mr. Hamilton informs me that he has no objection to so doing, and he will continue to do so until some arrangement is made until the matter is decided. This will be very valuable, as he is thoroughly familiar with the routine and duties of the office.

The Treasury Board seem to be under the impression that Mr. Hamilton has been receiving double salary up to the present date, but this, as I have pointed out, is an error. This impression is, of course, based upon the statement of the Auditor General to the effect that Mr. Hamilton has been drawing military pay since November, 1916. I enclose a letter from Mr. Hamilton explaining the situation from this standpoint.

Je demeure, monsieur, votre obéissant serviteur,

THOS. B. FLINT,

A Son Honneur l'Orateur du

Chambre des Communes.

CHAMBRE DES COMMUNES, 10 avril 1917.

MONSIEUR, Conformément à votre demande de ma version sur la situation créée par les demandes de l'auditeur général telles qu'exposées dans la correspondance échangée entre vous et lui, concernant le remboursement de certaines sommes reçues par moi, je sou mets respectueusement les explications suivantes:

Ayant été employé quelques années comme commis dans votre bureau, j'étais tenu à votre demande pendant la dernière vacance parlementaire et j'ai reçu les mêmes appointements ordinaires.

En juillet, j'ai obtenu votre consentement pour aller à Kingston comme aspirant payeur, et puis, quand j'ai été transféré à Ottawa comme payeur suppléant du camp d'entraînement des Signaux. Du 19 juillet au 30 novembre, j'ai retiré les appointements des deux positions, comme payeur et comme commis dans votre bureau. J'ai pu remplir les devoirs des deux positions sans detriment à l'une aux dépens de l'autre. De plus, je ne vois pas que le décret de l'Exécutif mentionné puisse s'appliquer

and the Auditor General states that I am not a Civil Servant.

In order to await a decision on this Order in Council, whilst believing that I was justly and legally entitled to both pays, I voluntarily discontinued the military pay as from November 30, and in so doing, I hoped that would be enough sacrifice on my part, considering the extra amount of work and expenses involved in fulfilling the requirements of both positions.

I would esteem it a favour to be granted an interview with the Honourable The Speaker before any decision is made.

I am, sir, your obedient servant,

H. R. HAMILTON,

The Clerk of the House of Commons.

AUDITOR GENERAL'S OFFICE, April 28, 1917.

SIR,—I received your personal note of 14th instant inclosing letters from the Clerk and Mr. Hamilton in reference to the latter drawing pay from two sources. The law and Orders in Council are quite clear on this matter, and I have no option but to see that the wishes of Parliament and the Government are carried out.

Mr. Hamilton states in his letter "I voluntarily discontinued the military pay as from November 30". I cannot understand how he can make this statement. Mr. Hamilton is paymaster at the Signal Training Depot. He prepares the pay-list and pays the officers and men out of funds received from the Militia Department. I have before me the pay-list for February, 1917. On this pay-list Captain Hamilton has credited himself with pay and allowances for the month, also with a balance brought forward from the previous month of \$325.75, making a total to his credit of \$472.75. He has signed the following certificate: "I hereby certify that this pay-list is correct to the best of my knowledge and belief". He had at the same time at his credit in the bank, \$2,087.66 to enable him to pay the credits on the pay-list. This pay-list was passed as correct by the Militia Department, and so far as the Government is concerned, Captain Hamilton has been paid. If, as he says, he voluntarily discontinued the military pay, he should not have credited himself with any amount on the pay-list.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Speaker, House of Commons.

HOUSE OF COMMONS, May 2, 1917.

DEAR MR. SPEAKER,—I have called Captain Hamilton's attention to the Auditor General's letter which you inclosed to me to-day, and would ask you to consider it carefully in view of the apparent misrepresentations contained in the Auditor General's letter.

In the first place, the Auditor General professes to give a quotation from Captain Hamilton's previous letter, but you will observe that he only quotes a part of a sentence, leaving out that portion of the sentence which is of the most importance. The sentence in Captain Hamilton's letter is as follows: "I voluntarily discontinued the military

à d'autres qu'aux employés civils proprement dits dont les devoirs militaires sont tels qu'ils sont forcés d'abandonner leur service comme employés civils, et l'auditeur général déclare que je ne suis pas un employé civil proprement dit ou régulier.

Afin d'attendre une décision sur ce décret de l'Exécutif, malgré ma conviction que j'avais droit en justice et légalement aux deux appointements, j'ai cessé volontairement de recevoir ma solde à partir du 30 novembre, et par là j'espère avoir fait assez de sacrifice, vu la somme supplémentaire de travail et de dépenses que j'ai affrontée pour remplir les devoirs des deux positions.

Je me croirais très favorisé si vous pouviez m'obtenir une entrevue avec Son Honneur l'Orateur avant qu'une décision soit prise.

Je demeure, monsieur, votre obéissant serviteur,

H. R. HAMILTON,

Au greffier de la Chambre
des communes, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL,

OTTAWA, 28 avril 1917.

MONSIEUR,—J'ai reçu votre note personnelle du 14 courant renfermant des lettres du greffier et de M. Hamilton au sujet du paiement à ce dernier d'appointements provenant de deux sources. La loi et les décrets de l'Exécutif sont tout à fait clairs sur cette question, et je n'ai pas d'autre alternative que de voir à ce que les volontés du parlement et du gouvernement soient exécutées.

M. Hamilton déclare dans sa lettre: "J'ai cessé volontairement de recevoir ma solde à partir du 30 novembre". Je ne puis comprendre comment il peut faire cette déclaration. M. Hamilton est payeur du camp d'entraînement des Signaleurs. Il prépare le bordereau de paye, et il paye les officiers et les soldats à même les fonds reçus du ministère de la Milice et de la Défense. J'ai devant moi le bordereau de février 1917. Sur ce bordereau, le capitaine Hamilton a porté à son crédit sa solde et son allocation mensuelles, ainsi qu'une solde reportée des mois antérieurs au montant de \$325.75, ce qui fait un total à son crédit de \$472.75. Il a signé le certificat suivant: "Je certifie par les présentes que ce bordereau est exact au meilleur de ma connaissance et croyance". En même temps, il a à son crédit à la banque \$2,087.66 pour lui permettre de payer les sommes créditées sur le bordereau. Ce bordereau a été accepté comme exact par le ministère de la Milice, et en autant que le gouvernement est concerné, le capitaine Hamilton a été payé. S'il a, comme il le dit, volontairement cessé de retirer sa solde, il n'aurait pas dû porter aucun montant à son crédit sur le bordereau.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, A.G.

A l'Orateur de la Chambre

CHAMBRE DES COMMUNES, 2 mai 1917.

CHEZ MONSIEUR L'ORATEUR,—J'ai attiré l'attention du capitaine Hamilton sur la lettre de l'auditeur général que vous m'avez envoyée aujourd'hui, et je vous demande de l'étudier attentivement à cause des inexactitudes apparentes qui s'y trouvent.

En premier lieu, l'auditeur général prétend donner une citation d'une lettre antérieure du capitaine Hamilton, mais vous remarquerez qu'il ne cite qu'une partie de la phrase, laissant cette partie qui semble être la plus importante. La phrase se lit comme suit dans la lettre du capitaine Hamilton: "J'ai cessé volontairement de retirer ma solde à partir du 30 novembre, et par là, j'espère avoir fait assez de sacrifice".

SESSIONAL PAPER No. 1

pay as from November 30, and in so doing I believed that would be enough sufficient on my part.

The Auditor only quotes one line of the statement as follows, "I voluntarily discontinued the military pay from November 30." Even this statement, I find from Captain Hamilton's explanation, is literally true and correct, as he has not drawn one cent of his military pay since the date referred to, and has no intention of doing so until the matter is adjusted.

The statement that some \$2,000 odd is to Captain Hamilton's credit includes the amount of his personal credit referred to, and is no more his money than is the money of the other officers who have not been paid, which is also included in the above amount in the bank. In other words, the money is not Captain Hamilton's personal money, but money belonging to the Government, and he has not drawn any of it.

No doubt the pay-list was passed as correct by the Militia Department, and the money belongs to the Militia Department until drawn by the paymaster in the course of his duties. Captain Hamilton could only reduce this money to his personal possession by drawing a cheque and taking it out of the bank. This he has not done, and he informs me that he has no intention of doing so until the matter is settled. Consequently, the statement that Captain Hamilton has not been paid is correct, and the imputation that he has been paid is entirely unfounded.

Captain Hamilton's statement that he is an officer and a gentleman, that he would not draw any military pay as long as the propriety of his doing so was in question, has been already lawfully carried out, and the Auditor General's attempt to give the Speaker of the House of Commons a false impression of his position in this matter cannot be too severely condemned.

I handed the Auditor General's letter to Captain Hamilton, and he furnished me with the reply enclosed. Here he asks an opportunity to see you personally, which I trust you might be able to grant at an early date, as I believe his statement would show the absurdity of the Auditor General's contentions, which are, in my view, very unfair to Captain Hamilton, who has not touched one cent of this money which the Auditor erroneously insists has been paid.

I am, sir, your obedient servant,

THOS. B. FLINT, *Clerk,*

Speaker of the House of Commons.

SPEAKER'S CHAMBERS, OTTAWA, MAY 2, 1917.

MY DEAR DR. FLINT:—I beg to inclose herewith for your perusal a letter dated 28th April from the Auditor General, which speaks for itself. I would be very sorry, indeed, if it should prove that the facts are as stated therein, as on your representation and those of Captain Hamilton, I endeavoured to have the Auditor General assent to the proposal along the lines of our conversation. But if it transpires that, instead of Captain Hamilton receiving no pay, he is being credited with like sums, it complicates the situation to an extent that I do not see any other course to pursue than that indicated by the Auditor General. I would be pleased to take this up with you at your earliest convenience.

Yours truly,

EDGAR N. RHODES,

Clerk of the House of Commons.

Il résulte de cette explication que la somme en question n'est pas l'argent appartenant au capitaine Hamilton, mais qu'elle appartient au Gouvernement. Il n'y a rien de personnel dans cette détermination, et il n'y a aucune intention de la part du capitaine Hamilton, et il n'y a pas d'intention de la part du Gouvernement, et il n'y a pas d'intention de la part de la banque.

Il faut qu'un appoint de plus de \$2,000 soit au crédit du capitaine Hamilton et qu'il n'appartienne pas plus qu'il n'appartient aux autres officiers qui n'ont pas été payés et dont l'argent est compté dans la même somme à la banque. En d'autres termes, cet argent n'est pas celui du capitaine Hamilton personnellement, mais il appartient au Gouvernement et il est passé à la banque par M. Hamilton.

Il n'y a pas de doute que le lieutenant a été approuvé comme ayant pu continuer de M. Milner, et qu'il n'appartient au lieutenant de la M. n'est pas, et qu'il n'est pas un officier, et qu'il n'est pas un officier tel, dans l'accomplissement de son devoir. Le capitaine Hamilton ne peut pas tirer cet argent de la banque, et il ne peut pas le faire passer par la banque. C'est ce qu'il n'a pas fait et qu'il ne peut pas faire. Il n'y a rien de personnel dans cette détermination, et il n'y a aucune intention de la part du capitaine Hamilton, et il n'y a pas d'intention de la part du Gouvernement, et il n'y a pas d'intention de la part de la banque.

La déclaration que le capitaine Hamilton n'a pas été payé comme officier et comme gentilhomme, qu'il n'est pas un officier, et qu'il n'est pas un officier de son droit de le faire, a été littéralement et complètement observée, et la tentative de l'auditeur général de donner une fausse impression de la position du capitaine Hamilton ne peut pas être trop sévèrement condamnée.

J'ai passé la lettre de l'auditeur général au capitaine Hamilton, et il m'a fait le reply ci-joint. Ici, il demande une opportunité de vous voir personnellement, ce que je pense que vous pourriez lui accorder à une date précoce, car je crois que sa déclaration montrerait l'absurdité de la position du capitaine général, dont les vues, d'après moi, sont tout à fait justes pour le capitaine Hamilton, qui n'a pas touché un cent de cet argent que l'auditeur général prétend lui avoir été payé.

Je demeure, messieurs, votre obéissant serviteur,

THOS. B. FLINT,

Clerk of the House of Commons.
A. CHAMBERLAIN, de la Chambre des communes, Ottawa.

BUREAU DE L'ORFÈVRE, OTTAWA, JUIN 1917.

CHER MESSIEUR FLINT:—J'ai l'honneur de vous envoyer ci-joint une lettre de l'auditeur général en date du 28 avril, et qui parle par elle-même. Les choses vraiment bien, si elle se peut, pour les faits sont tels que dits dans cette lettre, et sur vos représentations et sur celles du capitaine Hamilton, comme suis effrayé d'avoir le consentement de l'auditeur général à la proposition énoncée dans notre conversation. Mais si l'on apprend que le capitaine Hamilton ait bien de son argent, cela complique la situation à un point que je ne vois pas d'autre moyen que de se rendre à la volonté de l'auditeur général. Il serait heureux de parler de cette question avec vous à une prochaine session.

Respectueusement,

EDGAR N. RHODES,
Au greffier de la Chambre des communes, Ottawa.

8 GEORGE V, A. 1918

HOUSE OF COMMONS, May 2, 1917.

CHAMBRE DES COMMUNES, 2 mai 1917.

DEAR DR. FLINT.—The letter from the Auditor General to His Honour, the Speaker, of the 28th of April, which you handed to me, contains misrepresentations which I feel it my duty, in justice to myself, to point out.

In the first place that money to my credit in the bank has not been drawn by me as paymaster, and it is only to my credit as paymaster, and not personally in any sense. If the latter was the case the whole of the \$2,077.66 would belong to me, which is manifestly absurd, as it does not belong to me in any sense, but to the unit, or Militia Department.

I could only take my pay out of it by drawing a cheque as paymaster in my own personal favour. Then only would I be paid, and the Auditor's statement in the latter part of his letter that I have already been paid is sheer nonsense. I have not drawn this pay nor any part of it since I promised you that I would not do so until the propriety and legality of so doing were decided.

You will notice that the Auditor General quotes only a line of my explanatory letter to you, leaving out the balance of the sentence. But, even that line is literally true and absolutely correct. I do not know why the Auditor General should so misrepresent the position, because he must know that no part of that money can be drawn except by the paymaster as such, and not by myself personally. This bank account is a government and regimental account, and not my account in any sense, and this the Auditor General ought to be aware of, but he says, as far as the Government is concerned, Captain Hamilton has been paid. This is absolutely untrue, as I could not be paid any amount whatever out of this account without drawing a government cheque as paymaster which, as I have said before, has not been done and will not be done until this matter is settled. This, I hope, will be soon, as I am not drawing pay from any source at present.

I wish you would make this clear to His Honour the Speaker, and if possible procure me an interview with him at an early date to answer any further questions he may wish to put to me on the matter, as the Auditor's unfair statements seriously injure my honour and integrity as an officer and a gentleman.

I am, sir, your obedient servant,

H. R. HAMILTON.

Clerk of the House of Commons.

Memo for the Honourable, The Speaker of the House of Commons.

From July 19th to November 30, 1916, only, I received my pay both for military and House of Commons duties performed, and to which I consider I was justly and legally entitled.

A question, however, arose whereupon I voluntarily discontinued to draw any further military pay until the matter was decided upon.

In my opinion, the Order in Council referred to by the Auditor General only applies to Civil Servants whose military duties take them from their civil duties.

In my case both the military and civil duties are being performed by arrangement without any detriment the one to the other.

According to the statement of the Auditor General, I am not a Civil Servant.

CHER MONSIEUR FLINT.—La lettre de l'auditeur général à Son Honneur l'Orateur en date du 28 avril et que vous m'avez transmise, contient des inexactitudes que je crois de mon devoir de relever, en justice pour moi-même.

En premier lieu, cet argent à mon crédit à la banque n'a pas été retiré par moi comme payeur, et il est à mon crédit comme payeur et non pas comme argent personnel. Car, dans ce cas, toute la somme de \$2,077.66 m'appartiendrait, ce qui est manifestement absurde, car elle n'est pas à moi en aucun sens, elle est la propriété de l'unité, ou du ministère de la Milice.

Je ne pourrais retirer ma solde qu'en produisant un chèque à titre de payeur et en faveur de moi-même personnellement. Alors seulement je serais payé, et la déclaration de l'auditeur général dans la dernière partie de sa lettre disant que j'ai été payé est tout simplement un non-sens. Je n'ai pas retiré cette solde ni en entier ni en partie depuis que je vous ai promis que j'agissais de même jusqu'à ce que la légalité et la justesse de mon droit en soit reconnues.

Vous remarquerez que l'auditeur général ne cite qu'une ligne des explications que je vous ai données dans ma lettre et qu'il laisse le reste de la phrase. Mais cette ligne même est vraie en toutes lettres et absolument correcte. Je ne sais pas pour quelle raison l'auditeur général cherche ainsi à dénaturer ma situation, car il doit savoir qu'aucune partie de cet argent ne peut être retirée, si ce n'est par le payeur, et non pas par moi personnellement. Ce compte de banque est un compte du gouvernement et du régiment, ce n'est pas mon compte en aucune manière, et cela, l'auditeur général devrait le savoir; mais il dit qu'en autant que le gouvernement est concerné, le capitaine Hamilton est payé. Cela est absolument faux, car je pourrais retirer un montant quelconque de ce compte sans faire un chèque du gouvernement comme payeur, et c'est, comme je l'ai dit plus haut, ce que je n'ai pas fait et ne ferai pas tant que la question ne sera pas décidée. Cette décision, je l'espère, sera bientôt prise, car actuellement je ne retire aucun salaire.

Je désire que vous exposiez la question clairement devant Son Honneur l'Orateur, et que vous puissiez m'obtenir une entrevue avec lui bientôt afin que je puisse répondre à toute autre question qu'il pourrait me faire sur ce sujet, car les déclarations fausses de l'auditeur général sont une injure sérieuse, une attaque contre mon honneur, mon honnêteté comme officier et comme gentilhomme.

Je demeure, monsieur, votre obéissant serviteur,

H. R. HAMILTON.

Au greffier de la Chambre des communes.

Mémoire pour Son Honneur l'Orateur de la Chambre des communes.

Du 19 juillet au 30 novembre 1916 seulement, j'ai reçu mes appointements et ma solde pour mon travail à la Chambre des communes et comme militaire, et je considère qu'en justice et légalement j'y avais droit.

Cependant on s'est objecté à cela, et j'ai cessé volontairement de retirer ma solde en attendant que la question soit réglée.

Dans mon opinion, le décret de l'Exécutif mentionné par l'auditeur général ne s'applique qu'aux employés civils permanents ou réguliers dont les devoirs militaires sont tels qu'ils sont forcés de laisser leurs devoirs civils.

Dans mon cas, j'ai accompli et mes devoirs militaires et mes devoirs civils, grâce à une dis-

SESSIONAL PAPER No. 1

I hope that I have correctly stated the facts which can be reasonably stated in the circumstances.

It, however, has not appeared upon the report of the Committee.

REPORT OF THE COMMITTEE

H. R. HAMILTON

CLERK OF THE HOUSE

HOUSE OF COMMONS, CANADA

The Honorable Sir Joseph H. Chamberlain, Chairman of the Committee on the Auditor General, has the honor to inform me that the Committee has received the report of the Auditor General, and has found that the facts stated in the report are correct.

SIR, MY DEAR

1. Mr. H. R. Hamilton, who was at the time of the House of Commons, was temporarily employed after promotion in the Clerk of the House of Commons as stenographer and was paid time for time, as an extra employee, for services.

2. During the session of Parliament Mr. Hamilton was a seasonal clerk in the House of Commons assigned to the office of the Clerk of the House as a stenographer and acting secretary, but this employment ceased on promotion, and he was subsequently retained in the same capacity during the recess of Parliament.

3. On the 19th of June, 1916, the Clerk of the House, then being absent on his vacation, Mr. Hamilton, enlisted in the military service, and was directed to go to Kingston for promotion as a private, and he went to Kingston for a purpose.

4. While working on a temporary basis at Kingston he continued to do the work assigned to him as temporary employee of the Clerk of the House, receiving and answering correspondence, at Kingston, and from time to time doing work at the Clerk's office at Ottawa, until he was removed to Ottawa permanently on September 28, 1916, his military rank then being that of Honorary Captain.

5. He continued to perform, in addition to his military duties, all the work which he was accustomed to do, and which was required of him at the Clerk's office, to the satisfaction of the Clerk of the House.

6. During this period Captain Hamilton received the usual pay on a contract rendered to the office of the Clerk, and duly approved by the Clerk.

7. Later, viz., in December and January last, the Auditor General, in correspondence with the Clerk of the House, raised the question as to whether Captain Hamilton should not refund the amount of pay received by him as stenographer and acting secretary of the Clerk of the House during the period in which he was in the military service, and had drawn military pay.

8. Captain Hamilton, as a matter of fact, had drawn military pay up to the 30th November, 1916. After that date, owing to this question being raised, he did not draw any further military pay, although claiming his right to do so.

9. Upon this question being raised, Captain Hamilton received permission from the military authorities to continue work in the office of the Clerk of the House of Commons provided the same did not interfere with his military duties; the Clerk of the House agreeing to allow him

to continue his work in the office of the Clerk of the House of Commons, and to draw military pay up to the 30th November, 1916.

to do the work in his office at such hours and times as would not conflict with his work as paymaster in the militia service.

10. When Parliament is in session, Captain Hamilton has the status of sessional clerk, a temporary position, and as such only is assigned to the office of the Clerk by the Clerk.

11. Captain Hamilton claims that he is justly and duly entitled to all the compensation which he has received for work in the Clerk's office as a sessional and temporary employee in addition to his military pay.

12. Appended hereto is a brief statement of the argument in support of Captain Hamilton's claim.

T. B. FLINT, *Clerk*.

The Minister of Justice.

HOUSE OF COMMONS, June 12, 1917.

SIR, In support of the claim preferred by Capt. H. R. Hamilton, and referred to in the statement herewith submitted, I beg to urge as follows:

1. In the absence of a statute or Order in Council based upon statute clearly forbidding such payment, Captain Hamilton, having performed the work indicated to the satisfaction of his superiors, he is entitled to the proper compensation for the performance of both duties.

2. No statute forbidding such payment nor any Order in Council to the same effect can be quoted.

3. An Order in Council, even if there be one, which purports to affect payments made by the proper authorities of the House of Commons is not valid unless such Order in Council is based upon a statute in which the House of Commons or the Houses of Parliament are specifically mentioned.

4. The correspondence on this subject between the Audit Office, the Clerk of the House, the Speaker of the House of Commons, and Captain Hamilton, is hereto annexed.

I am, sir, your obedient servant,

THOS. B. FLINT, *Clerk*.

The Minister of Justice.

HOUSE OF COMMONS, June 12, 1917.

SIR,—Capt. H. R. Hamilton informs me that you agreed with him that a reference of the controversy between the Auditor General and himself on the subject of his pay might well be referred to the Justice Department for an opinion on the legal aspects of the case. I think this course advisable, and I inclose herewith a statement of the facts and this will be accompanied by the correspondence just passed on the subject.

If your view of the facts of the case differs from this statement, would you kindly let me know so that no dispute may arise as to the points upon which the opinion is to be solicited.

I am, sir, your obedient servant,

THOS. B. FLINT, *Clerk*.

de la Chambre des communes, pourvu que ce travail ne fût pas un obstacle à l'accomplissement de ses devoirs militaires; le greffier de la Chambre a accepté de permettre son travail à des heures et des périodes qui ne pouvaient nuire à ses devoirs de payeur dans le service militaire.

10. Pendant les sessions du Parlement, le capitaine Hamilton est commis sessionnel, emploi temporaire, et comme tel, il est employé au bureau du greffier par le greffier.

11. Le capitaine Hamilton prétend qu'il a droit en justice et en loi à toutes les compensations qu'il a reçues pour son travail dans le bureau du greffier comme employé sessionnel et temporaire en sus de la solde.

12. Ci-attaché se trouve un court exposé des raisons apportées en faveur de la réclamation de M. Hamilton.

T. B. FLINT, *greffier*.

Au ministre de la Justice.

CHAMBRE DES COMMUNES, 12 juin 1917.

MONSIEUR,—En faveur de la réclamation formulée par le capitaine H. R. Hamilton et mentionnée dans l'exposé ci-inclus, j'ai l'honneur d'appuyer sur les raisons suivantes:

1. En l'absence d'un statut ou d'un décret de l'Exécutif défendant formellement un tel paiement, le capitaine Hamilton, ayant accompli le travail indiqué à la satisfaction entière de ses supérieurs, a droit à la compensation appropriée à l'accomplissement simultané des devoirs civils et militaires.

2. Aucun statut défendant un tel paiement, aucun décret de l'Exécutif ayant même signification ne peut être cité.

3. Tout décret de l'Exécutif, s'il s'en trouve un, dont le but est d'affecter les paiements faits par les autorités régulières de la Chambre des communes, n'est valide que s'il est basé sur une loi dans laquelle la Chambre des communes ou les deux Chambres du Parlement sont spécifiquement nommées.

4. La correspondance à ce sujet entre le bureau de l'auditeur, le greffier de la Chambre, l'Orateur de la Chambre des communes et le capitaine Hamilton est annexée au dossier ci-inclus.

Je demeure, monsieur, votre obéissant serviteur,

THOS. B. FLINT, *greffier*.

Au ministre de la Justice.

CHAMBRES DES COMMUNES, Ottawa, 12 juin 1917.

MONSIEUR,—Le capitaine H. R. Hamilton m'informe que vous êtes d'accord avec lui pour soumettre la question discutée entre vous deux sur le sujet de ses appointements au ministère de la Justice afin d'avoir une opinion sur le côté légal de ce cas. Je crois ce procédé sage, et je vous envoie ci-inclus un exposé des faits auquel est adjoint toute la correspondance échangée à ce propos.

Si, d'après vous, les faits ne sont pas tels que donnés dans cet exposé, veuillez nous le faire savoir afin qu'il n'y ait pas de discussion sur les questions à faire élucider.

Je demeure, monsieur, votre obéissant serviteur,

THOS. B. FLINT,

A l'auditeur général.

Le greffier de la Chambre.

SESSIONAL PAPER No. 1

AUDITOR GENERAL'S OFFICE, June 22, 1917.

SIR,—I have to acknowledge receipt of your letter of 12th instant in connection with Captain Hamilton's case, and a reference of the same to the Department of Justice for a decision as to whether he can be paid both civil and military pay.

In reply, I beg to say that I am not in a position to say whether "the facts of the case" as stated by yourself and Captain Hamilton are correct in a very case or not. So far as I am concerned the facts that appeal to me are as follows, viz. Captain Hamilton was an employee in the public service. He enlisted in the military service. He has drawn pay concurrently for both civil and military services. The question at issue is: Are these payments legal?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk, House of Commons.

AUDITOR GENERAL'S OFFICE, June 21, 1917.

SIR,—Capt. H. R. Hamilton, paymaster, serving in the Signal Training Depot, is also a sessional clerk in the House of Commons, receiving pay at the rate of \$5 per day, and had been in that position for some time prior to the date of his enlistment. I have taken exception to his receiving both civil and military pay at the same time. This is the policy of the Government as set out in the Order in Council of 1st November, 1915, but the Clerk of the House of Commons claims that there is nothing to prevent Captain Hamilton drawing pay from both sources, as he is performing both services. I am under the impression that when a man in the public service enlists, his civil employment ceases until such time as he may be discharged from the military service. Will you be good enough to inform me if such is the case, and if it is, will you recover the amounts paid to Captain Hamilton by your Department.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister, Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, July 11, 1917.

SIR,—With reference to your letter of 21st ultimo regarding the case of H. R. Hamilton, Paymaster Signal Training Depot, I have the honour, now, to inform you that this Office has been struck off the strength of the Canadian Expeditionary Force.

As regard the question raised in the latter part of your letter under reference, I may say that as soon as we have an adjustment of this officer's account this matter will again be taken up with you.

I am, sir, your obedient servant,

EUG. HISET, D.M.

The Auditor General.

BUREAU DE L'AUDITEUR GÉNÉRAL, 22 JUIN 1917.

Monsieur, J'ai le plaisir de vous remercier de votre lettre du 12 courant au sujet du cas de capitaine H. R. Hamilton, et du contenu de la question de compétence de la Justice afin d'avoir que décider sur la possibilité de payer simultanément les appointements et militaires.

En réponse, je dois expliquer que je ne puis dire si l'exposé des faits d'une part, notamment, du capitaine Hamilton est exact en tout et pour tout. Quant à moi-même, sur les faits, la version du capitaine Hamilton est employé dans le service public. Il s'est enrôlé pour service militaire. Il a retiré sa solde concurrentement avec ses appointements civils. La question à décider est la suivante: ces paiements sont-ils dans les limites de la légalité?

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, A.G.

Auditeur de la Chambre des communes.

BUREAU DE L'AUDITEUR GÉNÉRAL, 21 JUIN 1917.

Monsieur, Le capitaine H. R. Hamilton, payeur du camp d'entraînement des Signaux, est aussi commis sessional à la Chambre des communes, recevant des appointements au taux de \$5 par jour, et a été ainsi employé pendant quelque temps avant la date de son enrôlement militaire. Je me suis obégit à ce qu'il reçoive simultanément un salaire provenant de deux sources. C'est là la politique suivie par le gouvernement et définie dans un décret de l'Exécutif en date du premier novembre 1915, mais le greffier de la Chambre des communes prétend qu'il n'y a rien pour empêcher le capitaine Hamilton de retirer un salaire de deux sources du moment qu'il rend des services à ces deux départements. Je suis sous l'impression que lorsqu'un homme employé dans le service public s'enrôle, son emploi civil cesse jusqu'à ce qu'il soit congédié du service militaire. Voulez-vous avoir la bonté de me dire si c'est bien cela, et dans ce cas, veuillez faire rembourser les sommes payées au capitaine Hamilton par votre ministère.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, A.G.

Au sous-ministre de la Milice et de la Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE, 11 juillet 1917.

Monsieur, —Avis de votre lettre du 21 juin concernant le cas de H. R. Hamilton, payeur du camp d'entraînement des Signaux, vous demandant de vous dire, maintenant, que cet officier a été retiré du rôle de la Force canadienne d'expédition.

Quant aux questions soulevées dans la dernière partie de votre lettre, je puis vous dire qu'au moment que le compte de cet officier aura été réglé, nous reprendrons ce sujet entre nous.

Je demeure, monsieur, votre obéissant serviteur,

EUG. HISET, D.M.

Auditeur général.

SIR,—I am to acknowledge receipt of your letter dated the 17th instant with regard to the decrease of \$1,580.71 in the collections reported from the wharves as mentioned in your letter as compared with the fiscal year 1915-16.

Re Sault Ste. Marie Wharf.

AUDIT OFFICE, OTTAWA, June 19, 1916.

SIR,—So far, neither cash receipts nor returns have come to account from Sault Ste. Marie wharf for the last fiscal year.

The last cash received was on March 3, 1915, when \$928.57 was reported, being the net revenue collected from July, 1913, to December 31, 1914.

The returns furnished by the wharfinger for the same period showed the gross collections to be \$4,874.82, and the expenses, covering the wharfinger's salary and clerical assistance, to be \$3,946.25—the balance being the amount which came to hand.

Your attention has been frequently drawn to the very unsatisfactory way the wharfinger was sending in his returns and you have assured me that steps would be taken to have returns and collections forwarded promptly at the end of each month.

OTTAWA, 19 juin 1916.

Re quai du Sault-Ste-Marie.

MONSIEUR,—Jusqu'à présent ni reçus d'argent ni rapports ne sont parvenus au compte du quai du Sault Ste-Marie pour la dernière année fiscale.

Le dernier montant reçu l'a été le 3 mars 1915, quand une remise de \$928.57 fut faite, étant le revenu net perçu depuis juillet 1913 au 31 décembre 1914.

Les rapports fournis par le gardien du quai pour le même temps établissant que les perceptions brutes ont été de \$4,874.82, et les dépenses, couvrant le salaire du gardien du quai et l'assistance aux écritures, ont été de \$3,946.25—la balance étant le montant réuni.

Votre attention a été fréquemment attirée sur la manière très peu satisfaisante du gardien du quai d'envoyer ses rapports et vous m'avez assuré que vous verriez à prendre les moyens pour que les rapports et les perceptions soient promptement envoyés à la fin de chaque mois.

SESSIONAL PAPER No. 1

The volume of trade along each season at the wharf is considerable and I am glad to know why the Treasury Board regulations regarding the collecting and depositing of public monies are not enforced.

The accounts for the last year are not open and it is desirable that any collection made for that year should be sent in without delay.

I am, sir, your obedient servant.

L. FRASER, J. G.

The Deputy Minister of Marine, Ottawa.

DEPARTMENT OF MARINE,

Ottawa, July 20, 1906.

SIR: I beg to acknowledge receipt of your letter of the 19th instant, inquiring as to our intention of not remitting monthly the revenue collected at the Sault Ste. Marie wharf.

In reply, I have to state that the department had considerable trouble with the wharfinger at Sault Ste. Marie who, although repeatedly requested to forward his statement monthly, did not comply with the regulations. A month ago an officer of this department was sent to Sault Ste. Marie to investigate the condition of affairs at the wharf, and he reported that the gross receipts for the season 1905 amounted to \$14,870.00, which had to be deducted the wharfinger's share, the cost of clerical assistance, etc., leaving a balance owing to the department of \$705.71.

The wharfinger was directed to cover the amount in advance, and on July 10, 1906, he did so, the amount being referred to the Department of Marine for collection.

I am, sir, your obedient servant.

A. JOHNSTON.

The Assistant General Officer.

ALBANY, OREGON, August 10, 1906.

SIR: I have received your letter of 29th June at Sault Ste. Marie wharf.

You state that you had an attachment to your agent to investigate the condition of the wharf and that he reported that the gross receipts for the season of 1905 were \$14,870.00, from which he had to be deducted salary and expenses \$2,752.50, leaving a balance of \$705.71 due the government, that the wharfinger had failed to deposit the amount, and that you had referred the matter to the Department of Marine for collection.

The conditions at this wharf have been unsatisfactory for years. In 1907 an attachment was made with the wharfinger, which was approved by Order in Council, see Audit Report 1906-07, P. 208 and following pages, but this attachment has not been satisfactorily observed.

The following statement shows the great delay in depositing the revenue for seasons 1911, 1912, 1913, and 1914, and now the revenue for the season of 1915 has not yet been deposited:

La quantité de transactions de chaque saison à ce quai est considérable, et je suis heureux de constater les règlements du Trésor au sujet de la loi concernant la perception des revenus publics n'ont pas été observés par le quai.

Les comptes de la dernière saison n'ont pas été envoyés et il est desirable que toutes les parties de cette année soient remises sans retard.

Je demeure, monsieur,

Votre obéissant serviteur.

In addition, the wharfinger has deducted in many cases more than the allowance for expenses.

Is it your intention to retain this wharfinger in office?

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister,
Marine Department, Ottawa.

AUDIT OFFICE, OTTAWA, January 11, 1917.

SIR,—I wrote you in June last drawing your attention to the fact that at that time neither returns nor cash receipts had come to account from Sault Ste. Marie wharf.

In reply you said that an officer from your department had been sent to investigate the affairs of the wharf and had reported that the gross receipts collected for the season 1915 amounted to \$3,458.30, from which had to be deducted the wharfinger's salary, the cost of clerical assistance, etc., leaving a balance owing the Department of \$705.71.

On the 30th June you again wrote me in reply to a second letter that Mr. Boyd, the wharfinger, had been suspended and that steps were being taken by the Department of Justice for the recovery of the amount of his arrears.

I shall be glad to know what steps have been taken in the matter and with what success.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Marine, Ottawa.

DEPARTMENT OF MARINE AND FISHERIES,
OTTAWA, January 18, 1917.

SIR,—I am in receipt of your letter dated the 11th instant re arrears at above wharf, and have to state that the Department expects to give you further information in the course of a few days.

I am, sir, your obedient servant,

C. STANTON,

Assistant Deputy Minister.

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, March 5, 1917.

SIR,—Apart from the arrears due from Sault Ste Marie wharf which has been the subject of recent correspondence, I have again to call your attention to the very unsatisfactory way in which returns continue to come to account.

Deplus, le gardien du quai a retenu dans plusieurs occasions plus que les allocations pour dépenses.

Avez-vous l'intention de continuer dans ses fonctions ce gardien de quai?

Je demeure, monsieur,

Votre obéissant serviteur,

J. FRASER,

Au sous-ministre de la Marine, *Auditeur Général.*
Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 11 janvier 1917.

MONSIEUR,—Je vous écrivais, en juin dernier, pour attirer votre attention sur qu'à cette date ni rapports ni remises n'étaient venus du quai du Sault Ste-Marie.

En réponse vous dites qu'un fonctionnaire de votre ministère a été envoyé pour examiner les affaires du quai et qu'il a fait rapport que les recettes brutes pour la saison 1915 se montaient à \$3,458.30, de ce montant il devait être déduit le salaire du gardien du quai, le coût de l'aide aux écritures, etc., laissant une balance due au ministère de \$705.71.

Le 30 juin vous m'écriviez de nouveau en réponse à une seconde lettre que M. Boyd, gardien du quai, a été suspendu et que des procédures ont été prises par le ministère de la Justice pour recouvrer le montant de ces arriérages.

Je serais heureux de savoir quelles sont les procédures qui ont été prises et quel en a été le résultat.

MONSIEUR,—Je reçois votre lettre en date du 11 courant re arriérages au quai susdit, et je dois dire que le ministère espère pouvoir vous donner d'autres informations dans quelques jours.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 5 mars 1917.

MONSIEUR,—En dehors des arriérages dus par le quai du Sault Ste-Marie qui ont fait le sujet d'une récente correspondance, je dois de nouveau attirer votre attention sur la façon non satisfaisante de la remise des rapports.

SESSIONAL PAPER No. 1

The only returns since received during the present fiscal year concern collection made by part of June and July amounting to \$485.18. There is no record of any collection made in April or May. Income from the 24th to the 30th, \$326.08; from the 1st to the 15th, \$130.00; from the 16th to the 23rd, \$450.00; on the account; from these collections the sum of \$841.26 is not to be the revenue. \$111.11 was deposited in the Treasury at Sault Ste. Marie, August 1st.

Although I have omitted some of the monthly and the quarterly returns, the same are for the months of April, August, September, October, November, and December and are not presented for.

The particulars of the amount deducted from the gross collections are as follows: D. Allard, \$100.00; from May 1 to August 1, \$100.00; from August 1 to June and July, \$65.50; Janet Fleming, \$100.00; from May 1 to July 1, \$61.00; sundry labour and other expenses, \$59.95.

Did you instruct Mr. Allard, who appears to have been in charge of the wharf, to accept the collections and used in return promptly at the end of each month as the Treasury Board requires? Please explain the amount received by the Young Wharfinger for June to August 20th, the rate per month and the period covered. I would not like to know why John Young and Janet Young were paid at a rate of \$100.00 per month in which no fees were collected. What were their duties at such times? I have no need to hear from you in regard to this what is so far possible.

The Deputy Minister of Marine, Ottawa.

DEPARTMENT OF MARINE AND FISHERIES,
OTTAWA, March 24, 1917.

Sir,—I have your letter of the 5th instant with reference to the returns made by the wharfinger at above wharf.

In reply I have to state that in addition to the return forwarded you, another one has been received by the department, and it is being prepared as some items mentioned therein require to be adjusted before same can be forwarded to you.

I am, sir, your obedient servant,

C. STANTON, *Acting D. M.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, August 1, 1917.

Sir,—An Order in Council, dated July 15, 1916, was passed appointing J. D. H. Browne, of Sault Ste. Marie, wharfinger of the government wharf at that place, his remuneration to be \$100 per month of the tolls and charges collected as wharfinger, also that he be authorized to pay for assistance from the tolls collected, a sum not to exceed an average of \$200 a month during the season of navigation, dating from the time of taking charge as wharfinger.

The total gross collections made by Mr. Browne from July 24 to December 31 last was \$3,142.66. From this amount he deducted his salary to the end of the fiscal year, March 31, \$1,000.00 per month, \$825, and also \$1,238.46, amount paid for clerical assistance and labour, making a total charge against the gross collections of \$2,063.46.

Mr. Browne's predecessor was given the same salary and allowance for assistance, as will be seen by an Order in Council passed August 21, 1907.

I have to state that the gross collections made by the wharfinger at Sault Ste. Marie, during the month of July, 1917, were \$485.18. There is no record of any collection made in April or May. Income from the 24th to the 30th, \$326.08; from the 1st to the 15th, \$130.00; from the 16th to the 23rd, \$450.00; on the account; from these collections the sum of \$841.26 is not to be the revenue. \$111.11 was deposited in the Treasury at Sault Ste. En réponse, je dois dire qu'en plus du rapport qui vous a été adressé, un autre en a été remis au ministre et qu'il est le propriétaire qui, par conséquent, a son droit de propriété sur les wharfs et qu'il faut passer vos comptes.

Le total des perceptions faites par le 31 Mars 1917, est de \$485.18. Il n'y a pas de collection faite en Avril ou en Mai. Les revenus du 24 au 30, \$326.08; du 1er au 15, \$130.00; du 16 au 23, \$450.00; sur le compte; de ces collections la somme de \$841.26 n'est pas le revenu. \$111.11 a été déposé au Trésor à Sault Ste. Marie, le 1er Août.

but he never claimed salary after the season of navigation closed. This will be verified if you refer to my report for 1906-1907, pages P—212 and 213, and you will find the copy of a letter written to me by Mr. Boyd, the ex-wharfinger, regarding his salary and other matters in connection with this wharf. As both Orders in Council are identically the same as far as salary and allowances are concerned, it would seem as if Mr. Browne made deductions in excess of what the Order in Council intended. Assuming this to be so, and that navigation closed on December 31, the deductions should have been as follows:—

Wharfinger's salary, 5½ months to December 31 at \$100 per month.....	\$ 525 00
Allowance authorized for assistance, 5½ months to December 31 at \$200 per month.....	1,050 00
	<u>\$1,575 00</u>

As the deductions made were \$488.46, in excess of the above amount, please explain why the wharfinger deducted \$300 additional salary to the end of the fiscal year, including January, February, and March, months for which no returns of collections were furnished, and also why he exceeded his allowance of \$200 per month for the 5½ months, by \$188.46.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of
Marine and Fisheries, Ottawa.

DEPARTMENT OF MARINE,

OTTAWA, August 29, 1917.

SIR,—I beg to acknowledge receipt of your letter of the 1st inst., with regard to salary and allowance for the administration of the Sault Ste. Marie wharf. You point out in your letter that the present wharfinger, Mr. J. D. H. Browne, is paid \$100 a month all the year round, while the former one was receiving \$100 per month during the season of navigation only, although the Orders in Council appointing both are identically the same as regards the salary and allowance.

In this connection I may say that the former wharfinger employed was not devoting all his time to the duties of wharfinger, but was also acting as ticket agent, etc., and it was understood that he was to be paid during the season of navigation only. When the present wharfinger was appointed it was deemed advisable to allow him \$100 per month all the year round, which was considered far from excessive for the services of an efficient employee; also having regard to the importance of the wharf and the responsibility attached to the position.

With reference to the allowance of \$200 per month for assistance, etc., it is true that it was exceeded by some \$188 during the last five and a quarter months of the fiscal year 1916-17, but this is explained by the fact that higher wages had to be paid, owing to the scarcity of labour.

The matter of adjusting the allowance for assistance, etc., is receiving the attention of the Department.

I am, sir, your obedient servant,

C. STANTON, Asst. D. M.

The Auditor General, Ottawa, Ont.

jusqu'à la fin de l'année fiscale, 31 mars, 8½ mois à \$100 par mois, \$825, et aussi 1,238.46, montant payé pour assistance aux écritures et travail, formant un total, chargé aux perceptions brutes, de \$2,063.46.

Le prédécesseur de M. Browne avait le même salaire et allocations pour assistance, comme on peut voir par un arrêté en conseil émané le 21 août 1907, mais il n'a jamais réclamé de salaire après la fermeture de la navigation. Vous pouvez vérifier en référant à mon rapport pour 1906-1907. Pages P—212 et 213, vous trouverez la copie d'une lettre qui m'a été écrite par M. Boyd, l'ex-gardien de quai, concernant son salaire et autres affaires en rapport avec ce quai. Comme ces deux arrêtés en conseil sont identiques en fait de salaire et allocations, il semblerait que M. Browne a fait ces réductions en excédant l'intention du décret de l'Exécutif. En supposant qu'il en est ainsi, et que la navigation a cessé le 31 décembre, la déduction aurait dû être comme suit:—

Salaire du gardien du quai, 5¼ mois au 31 décembre, à \$100 par mois.....	\$ 525 00
Allocation autorisée pour aide, 5¼ mois au 31 décembre, à \$200 par mois.....	1,050 00
	<u>\$ 1,575 00</u>

Comme les déductions faites ont été de \$488.46 en plus du montant ci-haut mentionné, si vous voulez expliquer pourquoi le gardien du quai déduit \$300 du salaire additionnel pour finir l'année fiscale, comprenant janvier, février et mars, durant lesquels nous aucun rapport de perceptions n'a été fourni, et aussi pourquoi il dépasse son allocation de \$200 par mois de \$188.46 pour les 5¼ mois.

Je demeure, monsieur,

Votre obéissant serviteur,

J. FRASER,

Auditeur général.

MINISTÈRE DE LA MARINE, OTTAWA, 29 août 1917.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 1er courant, concernant le salaire et allocation pour l'administration du quai du Sault Ste-Marie. Vous signalez dans votre lettre que le gardien actuel du quai, M. J. D. H. Browne, est payé \$100 par mois durant toute l'année, tandis que l'ancien gardien ne recevait \$100 par mois que durant la saison de navigation, bien que l'arrêté en conseil les nommant l'un et l'autre soit identique tant qu'au salaire et allocation.

A ce sujet je puis dire que l'ancien employé comme gardien du quai ne donnait pas tout son temps, mais agissait comme agent des billets, etc., et il avait été compris qu'il serait payé pour la saison de navigation seulement. Quand le gardien actuel du quai a été nommé il a été trouvé bon de lui accorder \$100 par mois durant toute l'année, ce qui a été considéré loin d'être excessif pour les services d'un employé capable; aussi à cause de l'importance du quai et la responsabilité inhérente à la position.

À l'égard de l'allocation de \$200 par mois pour aide, etc., il est vrai qu'elle a été dépassée par quelques \$188 durant les cinq mois et quart de l'année fiscale 1916-17, mais ceci s'explique par le fait que des gages plus élevés ont dû être payés, dû à la rareté de la main-d'œuvre.

La rectification de l'allocation pour aide, etc., reçoit toute l'attention du ministère.

Je demeure, monsieur,

Votre obéissant serviteur,

G. STANTON,

Assistant sous-ministre.

A l'Auditeur général,
Ottawa.

NOTE—The annuity payment is for the purpose of paying off in 50 years the original capital, £2,000,000 and interest thereon at 3 per cent per annum.

General working expenses includes salaries and expenses of Head Office, Cable Stations and Cable Ship and Provident Fund.

Reserve and renewal fund is to provide for cable repairs and renewal of the cable when found necessary.

Revenue—Traffic receipts.

*This is the first occasion since the Pacific Cable was laid on which there has remained a surplus from revenue after the payment of the sinking fund annuities. In accordance with the provisions of the Pacific Cable Act, 1901, this sum must be applied in reduction of the outstanding balance of the original advance for the capital.

8 GEORGE V, A. 1918

Contract for Removal of Waste Paper.

AUDIT OFFICE, Ottawa, November, 16, 1917.

SIR,—I notice in your Casual Revenue returns for the last fiscal year that A. L. Florence, who removes the waste paper from the different departmental buildings, paid for the same at the rate of of \$275 a month up to December 31 last, since which date his monthly payment has been \$916.66. I presume that these payments by Mr. Florence are in accordance with a contract entered into between him and your department. I should like to have copies both of the old contract for \$3,300 a year and the new contract for \$11,000 a year.

I am, sir, your obedient servant,

J. FRASER, A.G.

The King's Printer.

OFFICE OF THE KING'S PRINTER,
OTTAWA, November 23, 1917.

DEAR MR. FRASER,—I beg to transmit herewith copy of the Order in Council which authorized the King's Printer to call for tenders for the sale and removal of waste paper from the different public buildings in Ottawa. I also annex a copy of the contract entered into with Mr. A. L. Florence.

Mr. Florence was ascertained to be perfectly responsible, and was further asked to guarantee the execution of the contract by an insurance policy to the full amount of the sum involved, viz., five years at \$11,000, or \$55,000.

As far as the previous contract is concerned, I beg to state that, originally, in 1914, at the time of my appointment, Florence had a contract at \$2,800 a year. In the early days of January, 1915, Florence offered to renew the contract, but I insisted upon an advance of \$500.00 a year, and he consented to pay the advanced price (\$3,300 per year), provided we gave him the contract for two years. This we accepted. In the fall of 1916, on account of the largely increasing price of paper, we decided that we would call for tenders, and the Order in Council mentioned above was passed, with the result aforesaid.

The policy supplied by Florence is No. 750281, in London Guarantee and Accident Co.; amount \$55,000, renewable annually for four more years, subject to a reduction of \$11,000 each year; premiums payable by Florence.

Yours faithfully,

J. DE L. TACHÉ, K.P.

The Auditor General.

Order in Council to Authorize Mr. Laverdure to Sign Certificates on Accounts for Advertising.

AUDIT OFFICE, OTTAWA, July 25, 1917.

SIR,—According to the regulations, all accounts for advertising should be certified by the King's Printer before payment. My attention has been called to certain accounts which are certified as follows: "Correct at Contract Rates" (signed)

Contrat pour enlèvement de déchets de papier.BUREAU DE L'AUDITEUR,
OTTAWA, 16 novembre 1917.

MONSIEUR,—Je remarque dans vos rapports mensuels du revenu casuel de la dernière année fiscale que A. L. Florence, qui enlève les déchets de papier des différents édifices départementaux, a payé pour ce fait \$275 par mois jusqu'au 31 décembre dernier, et que depuis cette date ses paiements mensuels sont de \$916.66. Je suppose que ces paiements faits par M. Florence sont conformes aux termes d'un contrat passé entre lui et votre département. J'aimerais à avoir copie de l'ancien contrat de \$3,300 par année et de celui de \$11,000 par année.

Je demeure, monsieur,
Votre obéissant serviteur,

J. FRASER, auditeur général.

A l'imprimeur du Roi.

BUREAU DE L'IMPRIMERIE DU ROI,
OTTAWA, 23 novembre 1917.

CHER MONSIEUR FRASER,—J'ai l'honneur de vous transmettre ci-inclus copie d'un arrêté en conseil qui autorise l'imprimeur du Roi à demander des soumissions pour la vente et l'enlèvement des déchets de papier dans les différents édifices départementaux d'Ottawa. J'annexe aussi une copie du contrat passé avec M. A. L. Florence.

Nous nous sommes assurés que M. Florence est parfaitement solvable, et de plus nous lui avons demandé une garantie de l'exécution du contrat sous forme d'une police d'assurance pour le plein montant de la somme nominale du contrat, savoir cinq années à \$11,000, soit \$55,000.

Pour ce qui concerne le contrat antérieur, je dois vous dire qu'autrefois, en 1914, lors de ma nomination, M. Florence avait un contrat pour le montant de \$2,800 par année. Dans les premiers jours de janvier 1915, Florence offrit de renouveler le contrat, mais j'ai insisté pour ajouter une somme de \$500 par année, et il consentit à payer le prix majoré (\$3,300 par année), pourvu qu'il ait le contrat pour deux ans, ce que nous avons accepté. Dans l'automne de 1916, par suite de la hausse notable du coût du papier, nous avons décidé de demander des soumissions, et l'arrêté en conseil mentionné ci-dessus a été émis, avec le résultat susdit.

La police fournie par M. Florence porte le n° 750281, dans la compagnie London Guarantee and Accident; le montant nominal est de \$55,000; elle est renouvelable annuellement pendant quatre années, sujette à une réduction de \$11,000 pour chaque année écoulée, et les primes sont payables par Florence.

Bien à vous,

J. DE L. TACHÉ, I.R.

A l'auditeur général.

Arrêté du conseil pour autoriser M. Laverdure à signer les certificats des comptes de publicité.BUREAU DE L'AUDITEUR,
OTTAWA, 25 juillet 1917.

MONSIEUR,—D'après les règles établies, tous les comptes pour publicité doivent être certifiés par l'imprimeur du Roi avant d'être payés. Mon attention a été attirée sur certains comptes qui sont certifiés comme suit: "Exacts d'après les taux contractuels", signé E. Laverdure, A.P.". Veuillez

SESSIONAL PAPER No. 1

E. Laverdure, A.C." Please let me know what authority Mr. Laverdure has for certifying, and why the accounts are not certified by the King's Printer or somebody authorized to sign for him.

I am, sir, your obedient servant,

J. FRASER, A.G.

The King's Printer.

OFFICE OF THE KING'S PRINTER,
OTTAWA, July 25, 1917.

SIR, In reply to your letter of July 25, which draws my attention to the fact that all accounts for advertising should be certified by the King's Printer before payment, I regret that I have omitted notifying you that Mr. V. Braceland, formerly our Advertising Audit Clerk, has left the service, and that Mr. E. J. Laverdure has been appointed in his place, by decision of the Minister, Chief Clerk of Advertising.

Mr. Laverdure is therefore authorized to certify to the correctness of all advertising accounts in the same degree as Mr. Braceland was so authorized. Should you require that this authority be given in a more formal way, I would thank you to let me know exactly what you wish to have done in the matter and I will immediately comply.

J. DE L. TACHÉ, K.P.

The Auditor General.

AUDIT OFFICE, OTTAWA, November 15, 1917.

SIR, Referring to my letter of 25th July last, and your reply of same date, in reference to certifying of accounts for advertising, I am of opinion that you should procure an Order in Council authorizing Mr. Laverdure to sign for the King's Printer.

J. FRASER, A.G.

The King's Printer.

OFFICE OF THE KING'S PRINTER,
OTTAWA, November 26, 1917.

DEAR MR. FRASER,—Your letter of the 25th inst. in reference to getting an Order in Council passed authorizing Mr. Laverdure to sign for the King's Printer has been received, and I will ask the Minister to see that this be done at an early date, but I hope that you will allow, under the circumstances, this may be delayed a little. In the meantime I will sign the certificates of audit.

Yours very truly,

J. DE L. TACHÉ, K.P.

The Auditor General.

Note by A.G.: An Order in Council, dated December 8, 1917, authorizes Mr. Laverdure to sign, for the King's Printer, the certificates on accounts for advertising.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *auditeur général*.

A l'imprimeur du Roi.

BUREAU DE L'IMPRIMERIE DU ROI,
OTTAWA, 25 juillet 1917.

MONSIEUR,—En réponse à votre lettre du 25 qui attire mon attention sur le fait que tous les comptes de publicité devraient être certifiés par l'imprimeur du Roi avant d'être payés, je regrette d'avoir omis de vous dire que M. V. Braceland, anciennement commis vérificateur de la publicité, a quitté le service, et que M. E. J. Laverdure a été nommé à sa place comme en chef de publicité par décision du ministre.

M. Laverdure est par conséquent autorisé à certifier l'exactitude de tous les comptes de publicité au même degré que l'était M. Braceland. Si vous exigez que cette autorisation soit donnée d'une manière plus formelle, je vous serais reconnaissant de me faire savoir exactement ce qu'il faut faire et je m'y conformerai immédiatement.

Je demeure, monsieur, votre obéissant serviteur,

J. DE L. TACHÉ, *imprimeur du Roi*.

A l'auditeur général.

BUREAU DE L'AUDITEUR,
OTTAWA, 15 novembre 1917.

MONSIEUR,—Au sujet de votre lettre du 25 juillet dernier, concernant la vérification des comptes de publicité, je suis d'opinion qu'il vous faudra un arrêté en conseil autorisant M. J. E. Laverdure à signer pour l'imprimeur du Roi.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *auditeur général*.

A l'imprimeur du Roi.

BUREAU DE L'IMPRIMERIE DU ROI,

CHER MONSIEUR FRASER,—J'ai reçu votre lettre du 25 courant au sujet d'un arrêté en conseil nécessaire pour autoriser M. Laverdure à signer pour l'imprimeur du Roi, et je demanderai au ministre de voir à ce que cela soit fait dans le plus court délai, mais j'espère que dans les circonstances actuelles il vous sera possible d'attendre un peu. En attendant, je signerai les certificats de vérification.

Bien à vous,

J. DE L. TACHÉ, *imprimeur du Roi*.

Large Profits on Business of Stationery Office in 1916-17.

AUDIT OFFICE, OTTAWA, November 14, 1917.

SIR,—I beg to draw your attention to the abnormal growth of the profits on stationery during the last four fiscal years. For the year 1913-14 the profits were \$140.44; for 1914-15 the profits were \$3,341.97; for 1915-16 the profits were \$33,127.53; and for 1916-17 they were \$116,073.48.

I should like to have your explanation for the rise in profits from \$140.44 in 1913-14 to \$116,073.48 in 1916-17. I beg to point out that one of the reasons for the establishment of the Stationery Office was that the departments might be furnished with stationery supplies practically at cost price. The large increase in profits, however, would make it appear that the difference between cost and selling price has been made too large.

I am, sir, your obedient servant,

J. FRASER, A.G.

The King's Printer.

OTTAWA, January 24, 1918.

DEAR SIR,—In reference to your letter of November 14 last, I beg to convey the following information:—

The Stationery Branch of this department, as you know, has no appropriation from which to defray its working expenses, which must be covered by a slight advance, charged against the departments, on the actual cost of paper or other stationery goods supplied to them.

In the working expenses of that branch were included the salaries and running expenses in connection with the sale as well as the free distribution of the official publications of Parliament and Government of Canada. (See section 22, chap. 80, R.S.C.)

In 1914 and 1915 the question of the distribution of official publications was taken up in earnest, following my report on the subject to the Speaker of the House of Commons and the consideration thereof by the Joint Committee on Printing. I annex copy of this report. A reorganization of the Distribution Office took place, new premises were secured, and the distribution of documents was centralized.

The Superintendent of Stationery, Mr. Patenaude, represented that although the Distribution Office was a subdivision of his branch, it did not seem fair that increasing expenses should be covered by an increasing percentage against the supplies of paper and stationery articles.

I took the matter up with the Minister and the Treasury Department, and the consequence was that for 1916-17, in the Main and Supplementary Estimates, we were voted a special appropriation which relieved the Stationery Division of the Distribution Office expenses, amounting to over \$25,000 in the previous year.

The Superintendent of Stationery, on account of this new departure, was instructed to consider a proportionate reduction in the percentages charged to cover his departmental expenses.

But on the other hand he found himself in a period of continuous rises in the prices of paper. This began to be felt in 1915-16, as the profits jumped up from \$3,341.97 to \$33,127.53. It was impossible to closely estimate the effects of this

Profits considérables à la Papeterie en 1916-17.

BUREAU DE L'AUDITEUR,
OTTAWA, 14 novembre 1917.

MONSIEUR,—Je désire attirer votre attention sur l'augmentation anormale des profits sur la papeterie durant les quatre dernières années fiscales. En 1913-14, les profits ont été de \$140.44; en 1914-15, \$3,341.97; en 1915-16, \$33,127.53; et en 1916-17, ils ont été de \$116,073.48.

J'aimerais à avoir une explication sur cette hausse des profits de \$140.44 en 1913-14 jusqu'à \$116,073.48 en 1916-17. Je vous ferai remarquer que l'une des raisons de l'établissement du bureau de la Papeterie fut que les ministères pourraient se procurer leur papeterie pratiquement au prix coûtant. La forte hausse des profits démontrerait que la marge entre le prix coûtant et le prix de vente a été faite trop forte.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, auditeur général.

OTTAWA, 24 janvier 1918.

CHER MONSIEUR,—En réponse à votre lettre du 14 novembre dernier, j'ai l'honneur de vous transmettre les renseignements suivants:—

La division de la papeterie de ce département, comme vous le savez, n'a pas de crédit pour couvrir ses frais d'administration, qui doivent être défrayés par une légère avance chargée aux départements sur le coût réel du papier ou autres marchandises qui leur sont fournies.

Dans les frais d'administration de cette division ont été inclus les salaires et les dépenses courantes en rapport avec la vente de même que la distribution gratuite des publications officielles du Parlement et du gouvernement du Canada. Voir section 22, chap. 80, S.R.C.)

En 1914 et 1915 la question de la distribution des publications officielles a été soulevée pour de bon, à la suite de mon rapport sur ce sujet à l'Orateur de la Chambre des Communes, et sa prise en considération par le comité conjoint des impressions. J'inclus une copie de ce rapport. La réorganisation du bureau de distribution eut lieu, de nouveaux locaux furent retenus et la distribution des documents fut centralisée.

Le surintendant de la papeterie, M. Patenaude, a fait observer que bien que le bureau de distribution fut une subdivision de sa division, il ne semblait pas juste que l'augmentation des frais devrait être couverte par une augmentation du pourcentage sur les fournitures de papier et articles de bureau.

J'ai porté l'affaire devant le Ministre et le département du Trésor, et la conséquence a été que dans les budgets principaux et supplémentaires pour 1916-17, il nous a été voté un crédit spécial qui a libéré la division de la papeterie des frais du bureau de distribution, se montant à plus de \$25,000 pour l'année précédente.

Le surintendant de la papeterie, vu cette nouvelle méthode de procéder, reçut instruction de voir à une réduction proportionnelle dans les pourcentages chargés pour couvrir les frais de son département.

Mais d'un autre côté, il s'est trouvé dans un temps de hausses continuelles dans les prix du papier. Ceci a commencé à se faire sentir en 1915-16, alors que les profits s'élevèrent de \$3,341.97 à \$33,127.53. Il était impossible d'évaluer exactement les effets

extraordinary rise, as will appear by the following increases in the cost of paper between 1914 and 1917:—

Papers mostly used in Government printing.	Prices per pound in cents.	
	1914.	1917.
Parliamentary (blue-books)	4 19	9 50
S. C. Book (Year Book, etc.)	5 25	10 10
Tariff (statutes)	5 00	10 50
Coated paper (illustrations, etc.)	6 42	12 25
No. 2 Ledger	11 00	18 50
No. 3 Ledger	7 50	15 50

The following table will further exemplify the abnormal situation created by this rise in the cost of paper.—

GOVERNMENT PRINTING.

—	Total Cost.	Less Paper.	Exclusive of Paper.
	\$ cts.	\$ cts.	\$ cts.
1911-12	1,165,455 03	268,545 93	896,909 10
1912-13	1,274,870 28	302,676 38	972,193 90
1913-14	1,597,051 06	347,076 58	1,249,974 48
1914-15	1,807,390 59	399,127 26	1,408,263 33
1915-16	1,981,152 40	547,668 47	1,433,483 93
1916-17	2,401,914 83	924,468 75	1,477,446 08

With an average advance charge of 10 per cent on paper, therefore, the receipts of the Stationery Office from that source were boosted up, in round numbers, from \$40,000, in 1914, to \$92,000 in 1916-17.

As shown in your letter, the first year of abnormal profits was 1915-16, and the second, 1916-17.

The Government has lost nothing by it, as the excess receipts have gone back to the Treasury. But for the current year, with the experience of the last, the percentages have been considerably reduced, and will, we hope, bring the so-called profits down to their proper level; that is, the lowest possible excess over the expenditure.

The conditions of the paper market are such that we can hardly be expected to keep up an exact balance in the excess of receipts over the expenditure in the Stationery Division.

Yours faithfully,

J. DE L. TACHÉ, K.P. & C.S.

The Auditor General.

de cette hausse extraordinaire, comme on le pourra voir dans les augmentations suivantes dans le coût du papier de 1914 à 1917

Papiers généralement employés pour les impressions du gouvernement	Prix par livre en cents.	
	1914.	1917.
Parlementaire (livres bleus)	4 19	9 50

Papier couché (illustrations, etc.).....	6 42	12 25
No. 2 Ledger	11 00	18 50
No. 3 Ledger	7 50	15 50

Le tableau suivant démontrera de plus la situation anormale créée par cette hausse dans le coût du papier:—

IMPRESSIONS POUR LE GOUVERNEMENT.

—	Coût total.	Moins le papier.	A l'exclusion du papier.
	\$ c.	\$ c.	\$ c.
1911-12	1,165,455 03	268,545 93	896,909 10
1912-13	1,274,870 28	302,676 38	972,193 90
1913-14	1,597,051 06	347,076 58	1,249,974 48
1914-15	1,807,390 59	399,127 26	1,408,263 33
1915-16	1,981,152 40	547,668 47	1,433,483 93
1916-17	2,401,914 83	924,468 75	1,477,446 08

Avec une avance de 10 pour cent sur le papier les recettes du bureau de la papeterie se sont trouvées augmentées de ce chef, en chiffres ronds, de \$40,000 en 1914 à \$92,000 en 1916-17.

Tel qu'indiqué dans votre lettre, la première année de profits anormaux a été celle de 1915-16 et la seconde celle de 1916-17.

Le gouvernement n'a rien perdu par cela, vu que le surplus de recettes a fait retour au Trésor. Mais pour l'année courante, avec l'expérience de l'an dernier, les pourcentages ont été considérablement réduits, et nous espérons abaisser les prétendus profits à leurs justes proportions; c'est-à-dire, au surplus le plus bas possible sur les dépenses.

Les conditions du marché au papier sont telles qu'on peut difficilement s'attendre à ce que nous maintenions une balance exacte entre le surplus de recettes sur les dépenses de la division de la papeterie.

Votre tout dévoué,

J. DE L. TACHÉ, I. du R. et C. P.

Payments for Advertising after Paper has Suspended Publication.

AUDIT OFFICE, OTTAWA, November 8, 1917.

SIR,—There are certain advertisements which run for, perhaps, a whole year in newspapers, the accounts for which are certified by your department before payment is made. The first account is accompanied by a printed copy of the advertisement. I should like to be informed as to what steps you take to ascertain if the advertisement is continued in subsequent issues of the paper.

I am, sir, your obedient servant,

J. FRASER, A.G.

The King's Printer.

OFFICE OF THE KING'S PRINTER,
OTTAWA, November 13, 1917.

DEAR SIR,—Referring to your inquiry of November 8 about the audit of advertising accounts, I beg to state that papers receiving government serial advertising through this department are bound to supply us with two copies of every issue containing same. These copies are checked, a limited number of issues for transient advertisements, daily for dailies, and weekly for weeklies, etc.

As to longer-term (quarterly, half yearly, or yearly) contracts, the checking is not so close, but is done from time to time, sufficiently to allow a satisfactory proof that the contract is being carried out. This is specially done at the inception of every contract period, and then from time to time. I annex copies of a notice sent to a large number of papers on the occasion of the change in the quarterly advertisement of Homestead Regulations.

Yours faithfully,

J. DE L. TACHÉ, K.P.

AUDIT OFFICE, OTTAWA, November 15, 1917.

SIR,—I have to acknowledge receipt of your letter of 13th instant *re* audit of advertising accounts.

In this connection I wish to direct your attention to the payments made to the Prince Rupert Journal since January last. There are three payments of \$117 each for advertising Coal Mining Regulations.

I am informed that this journal suspended publication in January, and if my information is correct I should like to know on what evidence of publication the accounts were certified.

I am, sir, your obedient servant,

Palements pour annonces après qu'un journal a suspendu sa publication.

BUREAU DE L'AUDITEUR, OTTAWA, 8 novembre 1917.

MONSIEUR,—Il y a certaines annonces paraissant parfois pendant toute l'année dans les journaux, et dont les comptes sont vérifiés avant paiement par votre département. Le premier compte est accompagné d'une copie imprimée de l'annonce. J'aimerais à savoir quel moyen l'on prend pour vérifier si l'annonce a paru dans les numéros subséquents du journal.

Je demeure, monsieur, votre obéissant serviteur,

J. FRASER, *auditeur général*.

BUREAU DE L'IMPRIMEUR DU ROI,
OTTAWA, 13 novembre 1917.

CHER MONSIEUR,—Au sujet de votre demande du 8 novembre concernant les comptes de publicité, j'ai l'honneur de vous dire que les journaux qui reçoivent du gouvernement des annonces en séries doivent envoyer à ce département deux copies de chacun des numéros contenant ces annonces. Ces copies sont vérifiées, un nombre limité de numéros pour les annonces temporaires, tous les jours pour les journaux quotidiens et toutes les semaines pour les hebdomadaires, etc.

Pour les annonces à long terme (trimestriellement, semi-annuellement, annuellement) la vérification n'est pas aussi précise, mais elle est faite de temps en temps, assez souvent pour avoir une preuve satisfaisante que le contrat est exécuté. Cette vérification est surtout faite au commencement de chaque période contractuelle, et ensuite de temps en temps. Je vous envoie, ci-attaché, copies d'un avis expédié à un grand nombre de journaux à l'occasion du changement dans les annonces trimestrielles des règlements de Homesteads.

Bien à vous,

J. DE L. TACHÉ, *imprimeur du Roi*.

BUREAU DE L'AUDITEUR,
OTTAWA, 15 novembre 1917.

MONSIEUR,—J'accuse réception de votre lettre du 13 courant au sujet de la vérification des comptes de publicité.

A ce sujet, je désire attirer votre attention sur les paiements faits au Journal de Prince-Rupert depuis le mois de janvier dernier. Il y a trois paiements de \$117 chacun pour publication de l'annonce des règlements sur les charbonnages.

Je suis informé que ce journal a suspendu sa publication en janvier, et si mes renseignements sont exacts, j'aimerais à savoir sur quelle preuve les comptes ont été vérifiés.

SESSIONAL PAPER No. 1

OFFICE OF THE KING'S PRINTER,
OTTAWA, November 27, 1917.

DEAR MR. FRASER:—I have had the Chief Clerk of Advertising, Mr. L. J. Laverdure, to fully inquire into this case, and I beg to report as follows:—

Prince Rupert *Journal* ceased publication in March last. This is confirmed by a telegram received from the printer at Prince Rupert on November 23. To a date certificate in February the service of the paper was continued through Advertising Branch, as appears by the records in the office.

Therefore, until late in February the Advertising Office could not be made aware that the paper had ceased publication, as in fact it had not, contrary to the information which was given to you that publication had ceased in January. On March 31, 1917, O. H. Nelson, editor of that paper, wrote to the King's Printer applying for the usual order for insertion of the Coal Mining Regulations advertising, and on the 5th of April I received an order from L. Pereira, secretary of the Department of the Interior, requesting the insertion of the above regulation in the Prince Rupert *Journal*. This was complied with later in the regular contract form, which contains the usual clause: "If you accept this proposal please insert the advertisement on the date specified. If you decline it, please return the contract form."

Now, as regards payments made: The audit of the account of \$117 in January last was for insertions made from September to December in the Prince Rupert *Journal*. The payment certified to and likely transmitted to the department on the 31st of March covered the insertions of the same regulations to the 31st of March, 1917.

The account certified to in August has evidently been certified wrongly after the disappearance of the paper. But in this respect, as the Coal Mining Regulations belong to the periodical class of advertisements, I refer you to my communication to you of November 13, as regards the difference in checking of long-term or short-term advertisements.

I beg to state further that although this mishap happened in reference to the Coal Mining Regulations, the Advertising Clerk has withheld the payment of three accounts filed as follows with us by the Prince Rupert *Journal* under date of July 12, based on contracts issued on the respective dates below:—

January 5—"Notice to the Investors" (War Loan).....	\$ 116 48
March 2—"War Loan proper".....	295 68
March 1—April 2—"Production Campaign".....	53 76

the vouchers not having been produced, some partly and the others wholly.

Further, we have received no account from the Prince Rupert *Journal* for the insertions of the following: "The Minister Requests", which we were ready to certify at \$13 for insertions checked, and "Make Your Dollars fight," which we were ready to audit at \$11 for insertions checked.

The last audit of \$117, for Coal Mining Regulations, was made on an invoice dated July 12, and therefore the Government should have redress against the publisher (not published in the period covered.)

BUREAU DE L'IMPRIMERIE DU ROI,
OTTAWA, 27 novembre 1917.

CHER MONSIEUR FRASER, J'ai chargé le commis en chef de la publicité, M. E. J. Laverdure, de s'enquérir de ce cas, et j'ai l'honneur de vous faire rapport comme suit:

Le Journal de Prince Rupert a cessé sa publication en mars dernier. Ce fait est confirmé par une dépêche reçue du maître de poste de Prince Rupert, le 23 novembre. Sur la fin de février, le service de ce journal fut continué à notre bureau de publicité, comme il appert par les numéros conservés au bureau.

Par conséquent, jusqu'à la fin de février, le bureau de publicité ne pouvait savoir que ce journal avait cessé de paraître puisqu'en fait il n'avait pas cessé, contrairement au renseignement qui vous a été donné que sa publication avait été suspendue en janvier. Le 31 mars 1917, O. H. Nelson, éditeur de ce journal, a écrit à l'imprimeur du Roi pour demander les insertions ordinaires des règlements sur les charbonnages, et le 5 avril, j'ai reçu un ordre de M. L. Pereira, secrétaire du ministère de l'Intérieur, demandant de faire publier les dits règlements dans le Journal de Prince-Rupert. Cet ordre a été exécuté sous forme de contrat régulier, contrat qui contient la clause ordinaire: «Si vous acceptez cette proposition, veuillez insérer l'annonce à la date spécifiée. Si vous refusez, veuillez retourner la formule du contrat.»

Maintenant, pour ce qui regarde les paiements faits: La vérification du compte de \$117 en janvier dernier fut faite sur les insertions de septembre à décembre dans le Journal de Prince-Rupert. Le paiement certifié et transmis vraisemblablement au département le 31 mars couvrait les insertions des mêmes règlements jusqu'au 31 mars 1917.

Le compte certifié en août l'a été évidemment par erreur après la disparition du journal. Mais sous ce rapport, vu que les règlements des charbonnages font partie de la classe des annonces périodiques, je vous renvoie à ma lettre du 13 novembre où est expliquée la différence entre les annonces à long terme et les annonces transitoires.

J'ai l'honneur de vous dire de plus que malgré que cette erreur soit arrivée pour les règlements des charbonnages, d'un autre côté, l'agent de publicité a retenu le montant de trois comptes produits comme suit par le Journal de Prince-Rupert, à la date du 12 juillet, et basés sur des contrats aux dates indiquées ci-après:

5 janvier—"Notice to the Investors" (Emprunt de guerre)....	\$ 116 48
2 mars—Emprunt de guerre proprement dit.....	295 68
1er mars—2 avril—"Campagne de production".....	53 76

les pièces justificatives n'ayant pas été produites, soit en partie soit totalement.

De plus, nous n'avons pas reçu de compte du Journal de Prince-Rupert pour insertions des annonces suivantes: "The Minister requests" que nous pouvons certifier pour \$13 d'après les insertions vérifiées, et "Make your dollars fight" que nous pouvons aussi certifier pour \$11 d'après insertions avertis.

Le dernier certificat pour \$117 au sujet des règlements des charbonnages a été donné sur une note datée du 12 juillet, et par conséquent le gouvernement devrait avoir recours contre l'éditeur, (l'annonce n'ayant pas été publiée dans la période mentionnée).

J'ajouterais comme renseignement que dans le cours de l'été nous avons fait faire des cases spéciales

I will add the further information that, in the course of the summer, we have had special pigeon-holes made for sorting the newspapers and keeping them on file for two or three months, in order to simplify the work of checking. Up to this year, on account of the lack of accommodation, the audit office could not help being seriously handicapped by the tremendous accumulation of about thirteen hundred publications piling on them, in daily, weekly, semi-monthly, or, monthly numbers.

After my experience of three years in the Bureau, it seems to me that in reference to checking insertions of advertisements under periodical contracts, such as homestead or Coal Mining Regulations, etc., a monthly checking for the weeklies and a weekly checking for the dailies should afford sufficient control. Checking involves the careful hunting up of the advertisements through sometimes very bulky newspapers or other periodicals. I would thank you for your opinion as to this matter.

As previously explained, every insertion of a transient advertisement must be found to have taken place by vouchers, or when the latter are destroyed or lost, a sworn declaration is generally called for, if covering any substantial amount.

Finally, I beg to state that the present Chief Clerk of Advertising had taken his duties on the 10th of April only, the previous clerk having left us without any notice on a Monday (March 5) of a week when we had to send out all the contracts for the 1917 War Loan proper and Production Campaign Advertisements, about 2,500 in number, and further with several thousand accounts then recently received for the preliminary campaign in connection with the War Loan.

Yours faithfully,

J. DE L. TACHÉ, K.P.

The Auditor General.

Departments in Arrears for Printing and Stationery Supplies Furnished in 1916-17.

AUDIT OFFICE, OTTAWA, August 29, 1917.

SIR,—The Department of Public Printing and Stationery has furnished me with a statement showing that you owe that department a balance of \$9,416 on printing and stationery account of the fiscal year 1916-17. Please let me know why these accounts have not been paid.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Finance.

NOTE.—A similar letter was sent to the other departments in arrears.

FINANCE DEPARTMENT,
OTTAWA, September 2, 1917.

SIR,—I have the honour to acknowledge receipt of your letter of the 29th ultimo, concerning balance due the Department of Public Printing and Stationery, on account of the fiscal year 1916-17.

pour classer les journaux et les garder en liasses pendant deux ou trois mois afin de simplifier le travail de vérification. Jusqu'à cette année, à cause du manque de matériel commode, le bureau de vérification n'a pu s'empêcher de venir arriéré dans son travail par l'accumulation d'à peu près treize cents journaux qui viennent s'y engouffrer sous forme de numéros quotidiens, hebdomadaires, semi-mensuels ou mensuels.

D'après mon expérience de trois années dans l'imprimerie, il me semble que pour la vérification des annonces en vertu de contrats périodiques, comme les règlements des homesteads ou des charbonnages, etc., une vérification mensuelle pour les journaux hebdomadaires, une vérification hebdomadaire pour les journaux quotidiens devrait donner un contrôle suffisant. La vérification comporte la recherche attentive des annonces dans un volume parfois très considérable de papier pour les journaux et les revues. Je vous serais reconnaissant de me donner votre opinion là-dessus.

Comme je l'ai expliqué précédemment, chaque insertion d'une annonce temporaire doit être attachée aux pièces justificatives, et dans le cas où ces dernières sont détruites ou perdues, une déclaration assermentée est généralement demandée, s'il s'agit d'un montant important.

Finalement, je désire vous déclarer que le préposé aux annonces n'est entré en fonctions que le 10 avril, son prédécesseur nous ayant laissé sans avis un lundi (5 mars) alors que nous avions à expédier tous les contrats d'annonces de l'emprunt de guerre proprement dit de 1917 et celles de la campagne de production, au nombre de 2,500, et que de plus nous avions plusieurs milliers de comptes récemment arrivés concernant la campagne de l'emprunt de guerre.

Bien à vous,

J. DE L. TACHÉ, *imprimeur du Roi.*

DEPT. OF PUBLIC PRINTING AND STATIONERY,
OTTAWA, August 30, 1917.

DEAR MR. TACHÉ.—With reference to the Auditor General's letter, dated 29th instant, drawing your attention to the fact that a balance of \$18,364.11 is outstanding on our Printing and Stationery Accounts for the fiscal year 1916-17 and asking why these accounts have not been paid, I beg to state that the amount granted by the House of Commons for temporary payments on the Main Estimates for the fiscal year 1917-18 is only five-twelfths, and as I required this money to keep up paying salaries on appropriations, such as Voters' Lists, *Canada Gazette*, and Distribution of Documents, from April 1 last, I had, therefore, no alternative but to keep in abeyance the above outstanding amount until we get the final vote of the full main estimates.

I may add that other departments are still outstanding with us to the amount of \$390,830.19 for want of sanctioned funds in their 1917-18 appropriations.

Yours respectfully,

J. A. FRIGON,
Chief Accountant.

The King's Printer.

DEPT. OF RAILWAYS AND CANALS,
OTTAWA, September 1, 1917.

DEAR SIR,—Referring to your letter of the 29th ult., relative to amount of \$4,218.32 owing by the Canadian Government Railways on account of printing and stationery for the fiscal year 1916-17.

The payment of these accounts has been held up owing to objection to an item of \$57.39, which has been in correspondence for some time, and is still in correspondence. The Department of Printing and Stationery have always contended that no alterations shall be made in their accounts as rendered, and the Moncton officials have been trying to get the matter of \$57.39 adjusted. As this is included in the total vouchers, they cannot, under this ruling, make any deduction. They are willing to issue cheque covering the amount, less the \$57.39 in dispute. Please advise.

Yours faithfully,

W. V. COPE,
Departmental Auditor.

The Auditor General.

NOTE: Letters addressed to the Clerk of the Senate and to the Dominion Archivist drawing attention to arrears amounting to \$150.70 and \$13,067.28, respectively, remain unanswered. According to a statement lately received from the Department of Public Printing and Stationery, the following accounts for the fiscal year 1916-17 still remained unpaid on November 26, 1917: Archives, \$5,255.57; Canadian Government Railways, 11c.; Finance, \$36.36.

DEPART. DES IMPRESSIONS ET DE LA PAPETERIE
PUBLIQUES, OTTAWA, 30 août 1917.

CHER MONSIEUR TACHÉ.—Au sujet de la lettre de l'auditeur général, en date du 29 courant, attirant votre attention sur le fait qu'un solde de \$18,364.11 reste dû sur nos comptes d'impressions et de papeterie pour l'exercice financier 1916-17 et demandant pourquoi ces comptes n'ont pas été payés, j'ai l'honneur de vous dire que le montant accordé par la Chambre des communes pour les paiements temporaires au compte des estimés principaux pour l'exercice 1917-18 n'est que de cinq douzièmes, et comme j'ai besoin de cet argent pour payer les salaires à même les crédits comme les listes des électeurs, la *Gazette du Canada* et la distribution des documents à partir du 1er avril dernier, j'ai dû par conséquent laisser le montant ci-dessus en souffrance jusqu'à ce que le montant total des estimés principaux ait été voté.

Je puis ajouter que les autres départements ont ici en souffrance un montant de \$390,830.19 par suite du manque de fonds sur leurs crédits de 1917-18.

Bien à vous,

J. A. FRIGON,
Comptable en chef.

A l'imprimeur du Roi.

MINISTÈRE DES CHEMINS DE FER ET CANAUX,
OTTAWA, 1er septembre 1917.

CHER MONSIEUR,—Au sujet de votre lettre du 29 dernier, concernant la somme de \$4,218.32 due par les chemins de fer du gouvernement canadien sur les comptes d'impressions et de papeterie pour l'exercice financier 1916-17, le paiement de ces comptes a été retardé par suite de l'objection faite à un item de \$57.39 pour lequel nous avons correspondu et qui n'est pas encore réglé. Le département des Impressions et de la Papeterie publiques a toujours prétendu qu'on ne doit pas faire de changements dans les comptes présentés par ce département, et les fonctionnaires de Moncton ont essayé de régler cette question de l'item de \$57.39, vu qu'il est inclus dans les pièces justificatives du total, et ils n'ont pu à cause de cette règle faire aucune déduction. Ils veulent émettre un chèque pour couvrir le montant moins la somme de \$57.39 dont le paiement est contesté. Veuillez donner votre avis.

Bien à vous,

W. V. COPE,
Auditeur du ministère.

A l'auditeur général.

NOTE.—Les lettres adressées au greffier du Sénat et à l'archiviste du Dominion attirant leur attention sur des arrérages se montant respectivement à \$150.70 et \$13,067.28, sont restées sans réponse. D'après un état fourni récemment par le département des Impressions et de la Papeterie publiques, les comptes suivants pour l'exercice financier 1916-17 n'ont pas encore été payés à la date du 26 novembre 1917: Archives, \$5,255.57; Chemins de fer du Gouvernement, 11c.; Finances, \$36.36.
